Madison & Alana *Pussy Party*

These two have been friends ever since they were little girls, sharing all the highs and lows that life threw at them. While Madison has always been the high achiever, Alana has often struggled to find her way, whether it was school, career or relationships. She's always looking for the quick dollar, and this time seemed no different, when she decided to become a door-to-door dildo sales-girl. Who better to try her sales pitch on than her BFF, Madison? With this type of performance, this girl might have finally found her calling.

This might be fun, thought Madison as her friend nervously began the seduction.

Though Alana might have been nervous at first, Madison was so receptive, that it didn't take long for her to forget about everything but the taste of her friend's cunt.

New toys never fail to ignite a girl's inner slut.

Alana soon realizes that Madison really knows her way around a pussy. In fact, she's so good, Alana wishes they could partner up in plaything peddling.

Who could possibly resist such a naughty duo?
Just try!

Sugar

*She Needed Cock &
She Needed It Now*

Sugar is one horny lady, and when she decides she needs to be stuffed, there's just no holding her back. Recently, this was the case during her best friend's wedding, where she was serving as the Maid of Honor. It is still uncertain whether it was the booze, or all that sexy dancing, which started her quest for cock. One thing that we do know is that both she and the Best Man disappeared for a couple of hours, and that both came back a little bit sweatier and a lot happier.

Sugar's been in plenty of weddings, but she has no plans of settling down anytime soon. For now, she's just having fun plugging her tingling holes.

When she saw the bulge in the Best Man's pants, she knew she had found her next cock. Her only problem was restraining herself through the ceremony - she got so wet, just thinking about what she'd do with that nice, long pole.

At last, Sugar gets her sweet
treat. It might be you next time
if you've got the balls.

To the Editor:

This is something that happened to me while I was on the job. I'm still in shock, but in a good way as you'll soon find out.

I'd gotten stuck with the shit job, again – carrying a garbage bag and a pointed stick, picking up litter.

"Bummer!" my buddy on the city clean-up crew commented, slapping me on the back.

While I got the sharp stick in the eye, he got to ride around in an ATV watering flower planters. Maybe it had something to do with the fact he was banging our fifty year-old female supervisor like a dusty rug, maybe not.

"Motherfuckingsonuvafuckingbitch!" I muttered, poking at soggy litter in a suburban back lane, the hot sun beating down on my yellow safety helmet and red, burnt neck.

But then I swore in a different tone of voice, an amazed, reverential tone. As I happened to glance over this six-foot-high cedar fence and into this home's backyard – and spotted a gorgeous ebony babe sprawled out on a towel next to a swimming pool. She was stretched out on her stomach catching some rays; a pair of big, fat, ripe, glistening, golden-brown butt cheeks bursting out of her silver bikini bottom and splendiferously soaking up the sunshine, and all my attention!

I'm an ass-man from way back. I likes my women big and beautiful and packed hind-ways. And this boisterous black

WHEN BUMMER MEANS GOOD

brunette had the junk in spades, an ultra-voluptuous vixen with the biggest, boldest, brazenly-displayed and sensuously basting booty I'd ever seen before. I stared at her extra-ample ass, her gleaming, blazing, overswollen orbs burning my rods and cones, and burning a hole in my crotch, my cock firing into molten steel in my jeans.

I dropped my stick and bag and pressed close to the fence, wood into wood, peering over the top with salacious intent. I hit a knothole and quickly unzipped and pulled out and stuck my prick through the waist-high peephole. Then accidentally kicked a creaky slat as I crowded even closer.

The bootlicious babe jumped up onto her elbows and twisted her head around, spotted my shining eyes peek-

ing over her fence. Looked lower and spotted my shining cock-helmet peeking through her fence.

I braced myself for take-off – down the lane and around the corner before the bottom-heavy broad could get to a phone and dial the police. But she suddenly smiled, her thick lips parting and white teeth flashing, and then beckoned at me with a silver-tipped finger.

I was through the gate so fast I almost splintered my dick. I ran around the shimmering pool, shedding helmet, vest and t-shirt, boots, jeans and gitch. I skidded to a stop in my socks on the tiled pool edge right next to the laid-out lady, me and my prick leering down at her wickedly over-stuffed seat cushions.

She didn't say a word. Just reached back and untied the high-tension strings that barely held her stretched-out bikini bottom together. The spandex material burst loose and she flung it aside.

I mounted her, straddling the backs of her

hot, plump, shapely legs and immersing my hands in her bare buttocks. "Fuckin' A!" I marveled, clenching, squeezing, digging into that rich, thick, oil-slick flesh. My hands and fingers had a field day kneading the babe's overblown butt cheeks like sun-baked greasy bread dough.

"Mmmm!" she murmured into her folded arms. "You know ass, I can tell."

I slapped a lush thunder-cheek in reply, the other, setting the bloated flesh to shimmying and shivering, the woman to further singing my praises. Then I slid higher up her dimpled legs, right up to the outrageously rising slopes of her buttocks and stuck my cock in the superheated cleavage of her ass.

"Fuck almighty!" I groaned, my dong enveloped in glistening butt flesh. I pasted my hands onto either side of her wide-load ass and piled her slippery cheeks together, over top of my crack-seeking prick.

The heat was incredible, the softness immense. I reveled in it, rolled my dick around in it. And then I started moving my hips, excitedly frothing the buttsy babe like some avid breast-men might titty-fuck. "Ass-tastic!" I grunted, pumping faster, piling higher. I churned my cock back and forth in the pillowy, velvety tunnel created by the woman's chunky cheeks.

Until she finally moaned, "Fuck my ass!" I was only too happy to oblige. I let go of her butt-mounds and watched them flop and wobble back into position, then pulled my greased-up cock out of her cleavage. I went up on my knees and steered my shining knob back in between her cheeks – vertically this time – headed for brown-eye. She quickly reached back and dug her dragon-lady nails into the pliable masses of flesh and spread her ass wide open. Leaving me breathless with a clear and puckered target. I shouted, "Geronimo!" and plunged my cap into her starfish, plowing through ring and plumbing deep into chute.

"Baby got fuckin' back!" I howled, flopping on top of her, my cock embedded in her hot, tight anus.

"Fuck my ass!" she screamed into her towel, pushing back and gyrating her booty. Almost sending me flying.

The feeling was pure anal glory, all that heavy ass-meat shuddering up against me, my dong gripped in the heated vise of her butthole. I spread my hands wide on either side of her and pumped my hips, fucking her all-world ass, bouncing up and down on her cushiony backside.

I seesawed back and forth, spelunking her chute in a frenzy, her mountainous bottom thrusting me up into the air, until I bellowed, "Sweet booty heaven!" the size and the depth and the pressure too much for me.

I frantically plugged her rump a couple more times before all hell broke loose in my cheek-slapping balls. I jerked, shuddered, sperm blasting out of my ass-buried cap and splashing against the babe's bowels, coating her chute. I came again and again, emptying myself in her anus, her rippling monster derriere heaving me around.

I lay draped over top of her for a good five minutes afterwards, our burning bodies melded together, my back bent and almost broken, cock still home sweet home in the superheated confines of her asshole. And then I heard a vehicle roar down the back lane and skid to a stop at the cedar fence, saw an eye fill the knothole.

"Bum 'er!" my buddy yelped, getting the short end of the stick for once.

– Rick

Dear *Black Booty*,

To those who think that women don't enjoy your magazine, I'm here to prove that we do. In fact I love picking it up so I can see how I stack up to all my gorgeous sisters.

I wanted to share a little bit about me and my new man Trent. Enjoy, you perverts.

I had grown up with liberated parents. I'm not sure they were swingers, but they always talked openly about sex. As a result, I too always felt sex was something that was meant to be fun and to be enjoyed whenever possible.

I had a series of fun boyfriends during college, but when I got my first job, I moved and found myself in a new city. I soon joined a local online dating agency and posted a profile that was honest.

"Bouncy, bubbly black girl loves fun and enjoys being crazy. No weirdos, but if you don't like fun, don't bother contacting me!" That was all I put. Then, I snapped a new photo with my cell phone, and posted it online.

I had lots of responses, but one in particular caught my eye.

"Hi BBB, I'm a BBD – Big Black Dude – and I love to laugh. Sex is a bonus if you've got horny laughing, so if you want to laugh as much as you want a man, get back to me. Signed – BBDLOL!!!"

I loved it!

Before I even had a chance to get nervous, I sent him a response and a second photo. It was of me at a bar with friends and I was laughing my head off.

Ten days later, we met and we hit it off straight away. Trent was an Arts major, and he was studying to be a teacher. He was two years younger than I, which was a first for me, but it didn't bother me at all. He was also much taller than me and we must have looked odd as we sat for dinner at the restaurant, he a 6'4" black man and

me a 5' 1" petite woman with large boobs and a mop of messy curly hair!

Anyway, dinner was fantastic and we said goodbye that night having really had a fun time. We saw each other three more times before we made love the first time. It was amazing!

Trent was a riot in the sack. Not only was he funny and loved to tickle me whenever he could, but his tongue was like a snake! He gave me the best licking out I have ever

had and I remember thrashing about on his amazing tongue, thinking I might explode when I finally came all over him.

Then, as I attempted to suck his black dick, he kept cracking jokes about choking, swallowing and eating black meat – it was wild. Finally, he lifted me up effortlessly and dropped me down on his wonderful cock and fucked me till I collapsed on him screaming, my ribs aching from the laughter and the tickling.

The real reason for me writing this though, is to tell about our wildest adventure. It took place on a cable car in Aspen, about six months after we met. We hit the slopes early that morning and the place was crowded. After lunch, we skied till our bones ached, and we found ourselves alone in a car heading back from the summit as the sun began to set. Trent sat me on his knee and we started to kiss and things got out of hand. Before I knew it, my suit was unzipped and he had my boobs out, sucking my nipples for all he was worth!! As we got to the bottom, I quickly zipped up, and blushing, smiled at the two guys who were working the lift at the car park. "Stay in!" said Trent.

"What?"

"Stay in. We'll go round again and I will fuck you. It'll be great!"

Before I had a chance to protest, the car door closed and we were off, back up the mountain, a ride of about ten minutes or so.

Anyway – Trent was true to his word and without much more foreplay, we stripped off our suits and I sat on his cock as he began to fuck me right there in the cable car. He bounced me up and down on his amazing cock for a while, and I just hung on for the ride, which was amazing! He was so strong, he simply lifted and dropped me on and off his lovely cock as we continued to fuck like newlyweds in the cable car! As our bodies continued to grind together, we became more and more aroused and I knew I was going to cum before long if he kept fucking me so deep. Trent's hands were mauling my boobs as we fucked crazily in the cable car. I closed my eyes and just immersed myself in the pleasure of his wonderful cock as he pumped me, each push feeling deeper and hotter than the last!

I started to squeal and moan as my orgasm began to take a hold of my body and Trent managed to just fuck and fuck and fuck and fuck me, until he too needed some

release! It was an intense, hot fuck and Trent suddenly started to buck and grunt with his large, black cock inside me, and I knew he was cumming. His cock swelled beyond its normal size and my pussy was filled with his hot, sticky cum. I adored the sensation as each spurt of his semen splashed the walls of my well-stretched pussy.

Just as he stopped grunting and pushing into me, the cable car beeped and we were at the summit!

I looked out to see about twelve people waiting to climb in, all staring agog as I sat astride my black lover, his cock still buried deep in my pussy, my tits in full view for all!

Needless to say no one got in the car with

us, and we headed back south to the car park, our laughter so loud I am surprised we didn't cause an avalanche!

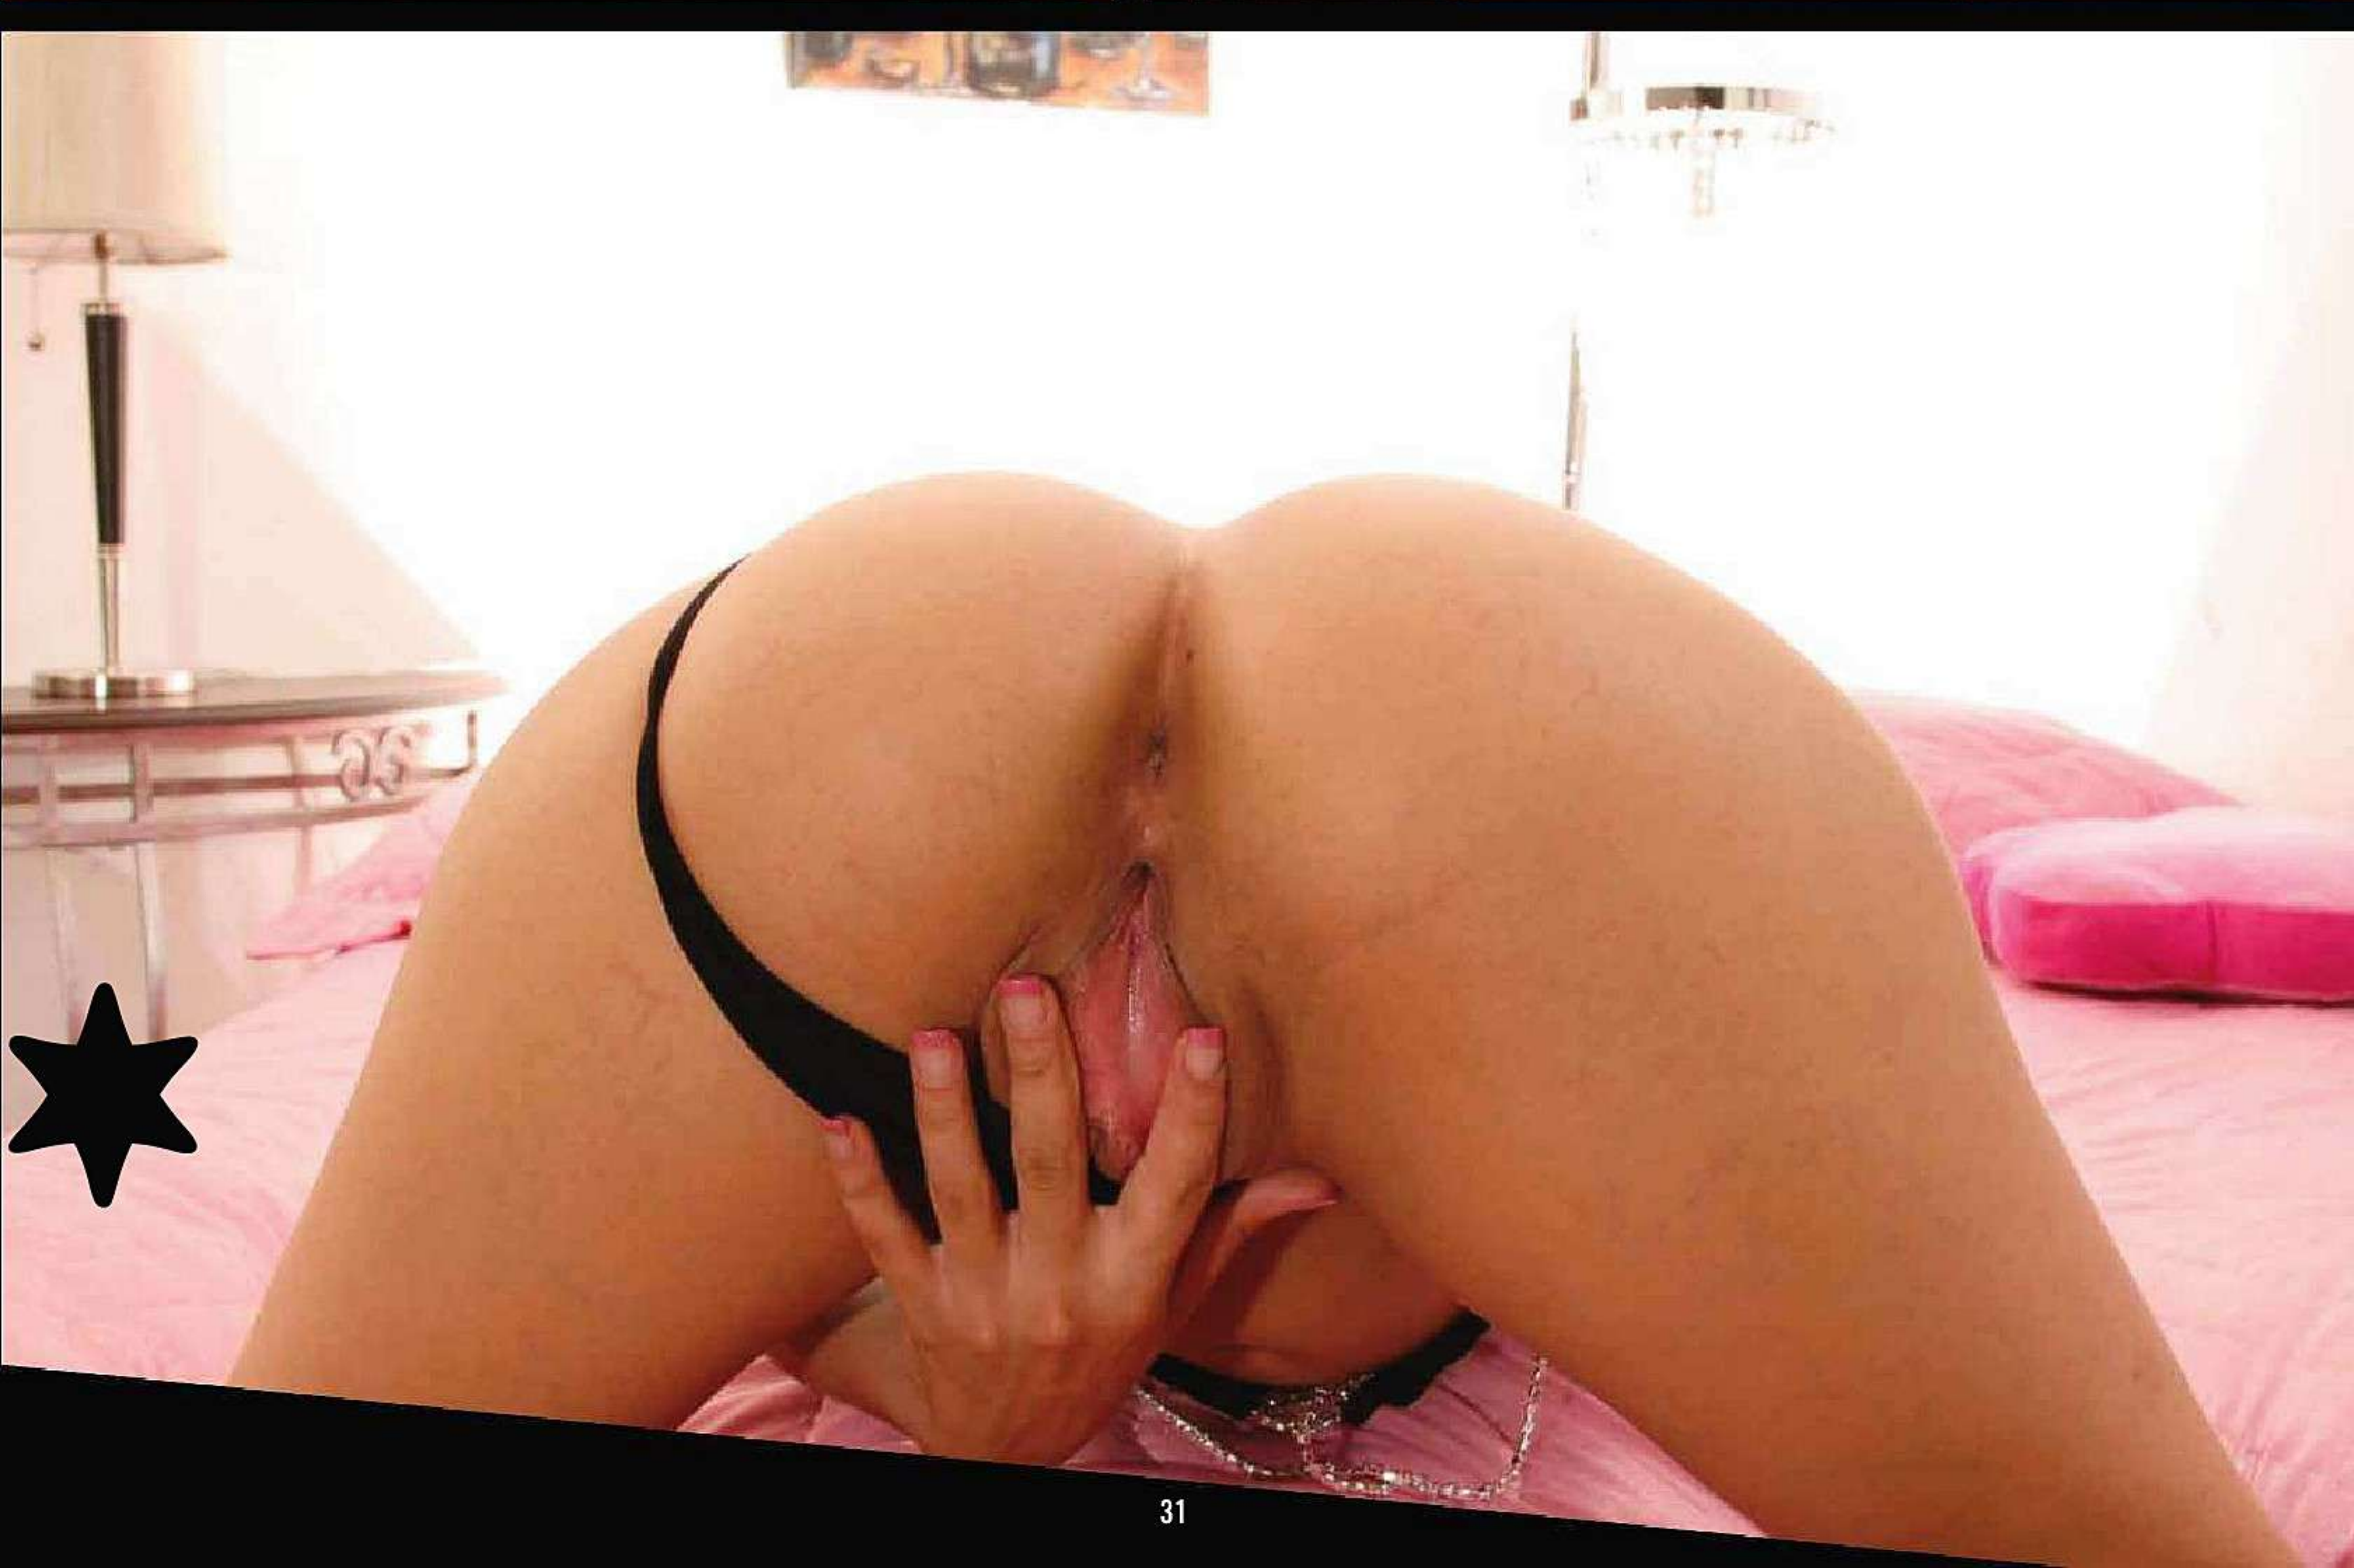

On the way down, still alone thanks to the fact we had probably scared everyone off with the sight of us fucking, Trent had me lick and suck his cock clean. Then, he returned the favour and licked me totally clean before we dressed and kissed and cuddled until the car reached the bottom car park once more. We climbed out and I watched with interest as the guys working the chairlift were talking madly on their walkie-talkies!!

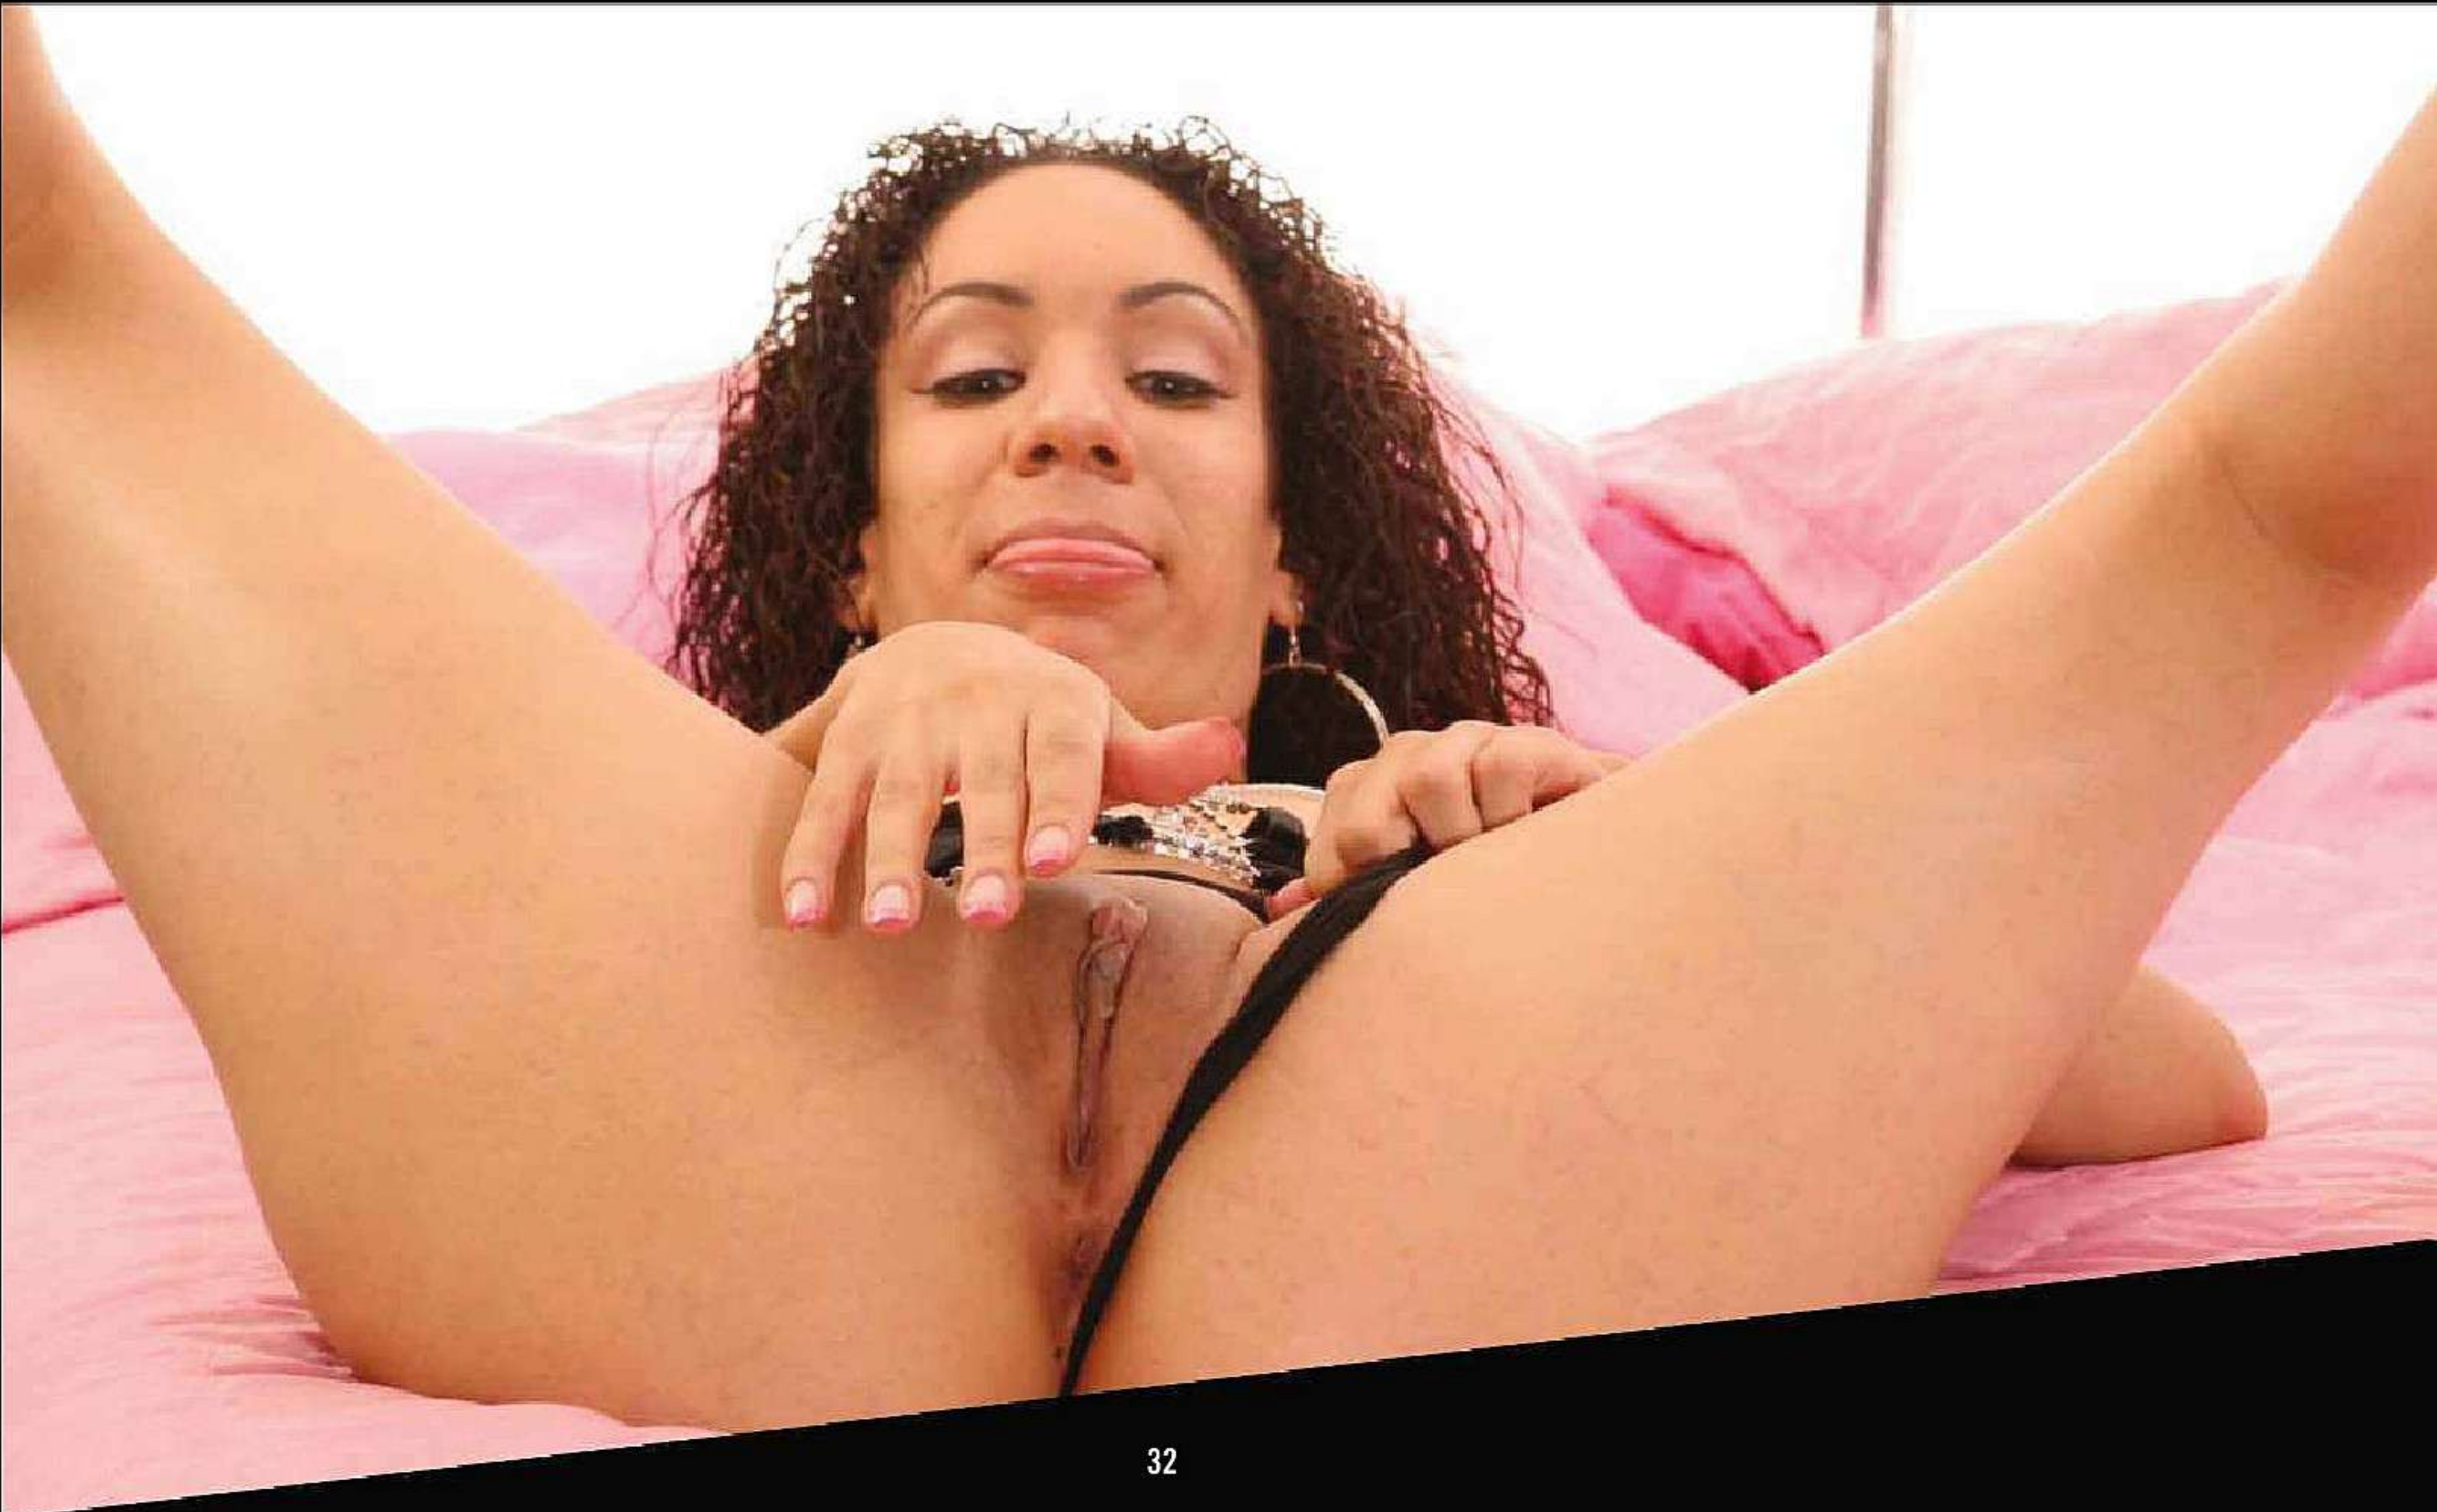

It was a great day and still remains one of the craziest, but sexiest fucks I have ever had in my life!

Rio has no time for relationships. As far as she's concerned, men are only good for one thing anyway. She has her own money and place and when she feels that familiar feeling in her cunt, all she has to do is reach for the phone and call one of her many willing studs. It's the perfect scenario, since her pussy is satisfied and she's never had any complaints from any of the lucky guys. "I think I see her dialing now, boys." It's easier than ordering pizza, just pick up the phone and say the magic words, "*Booty Call.*"

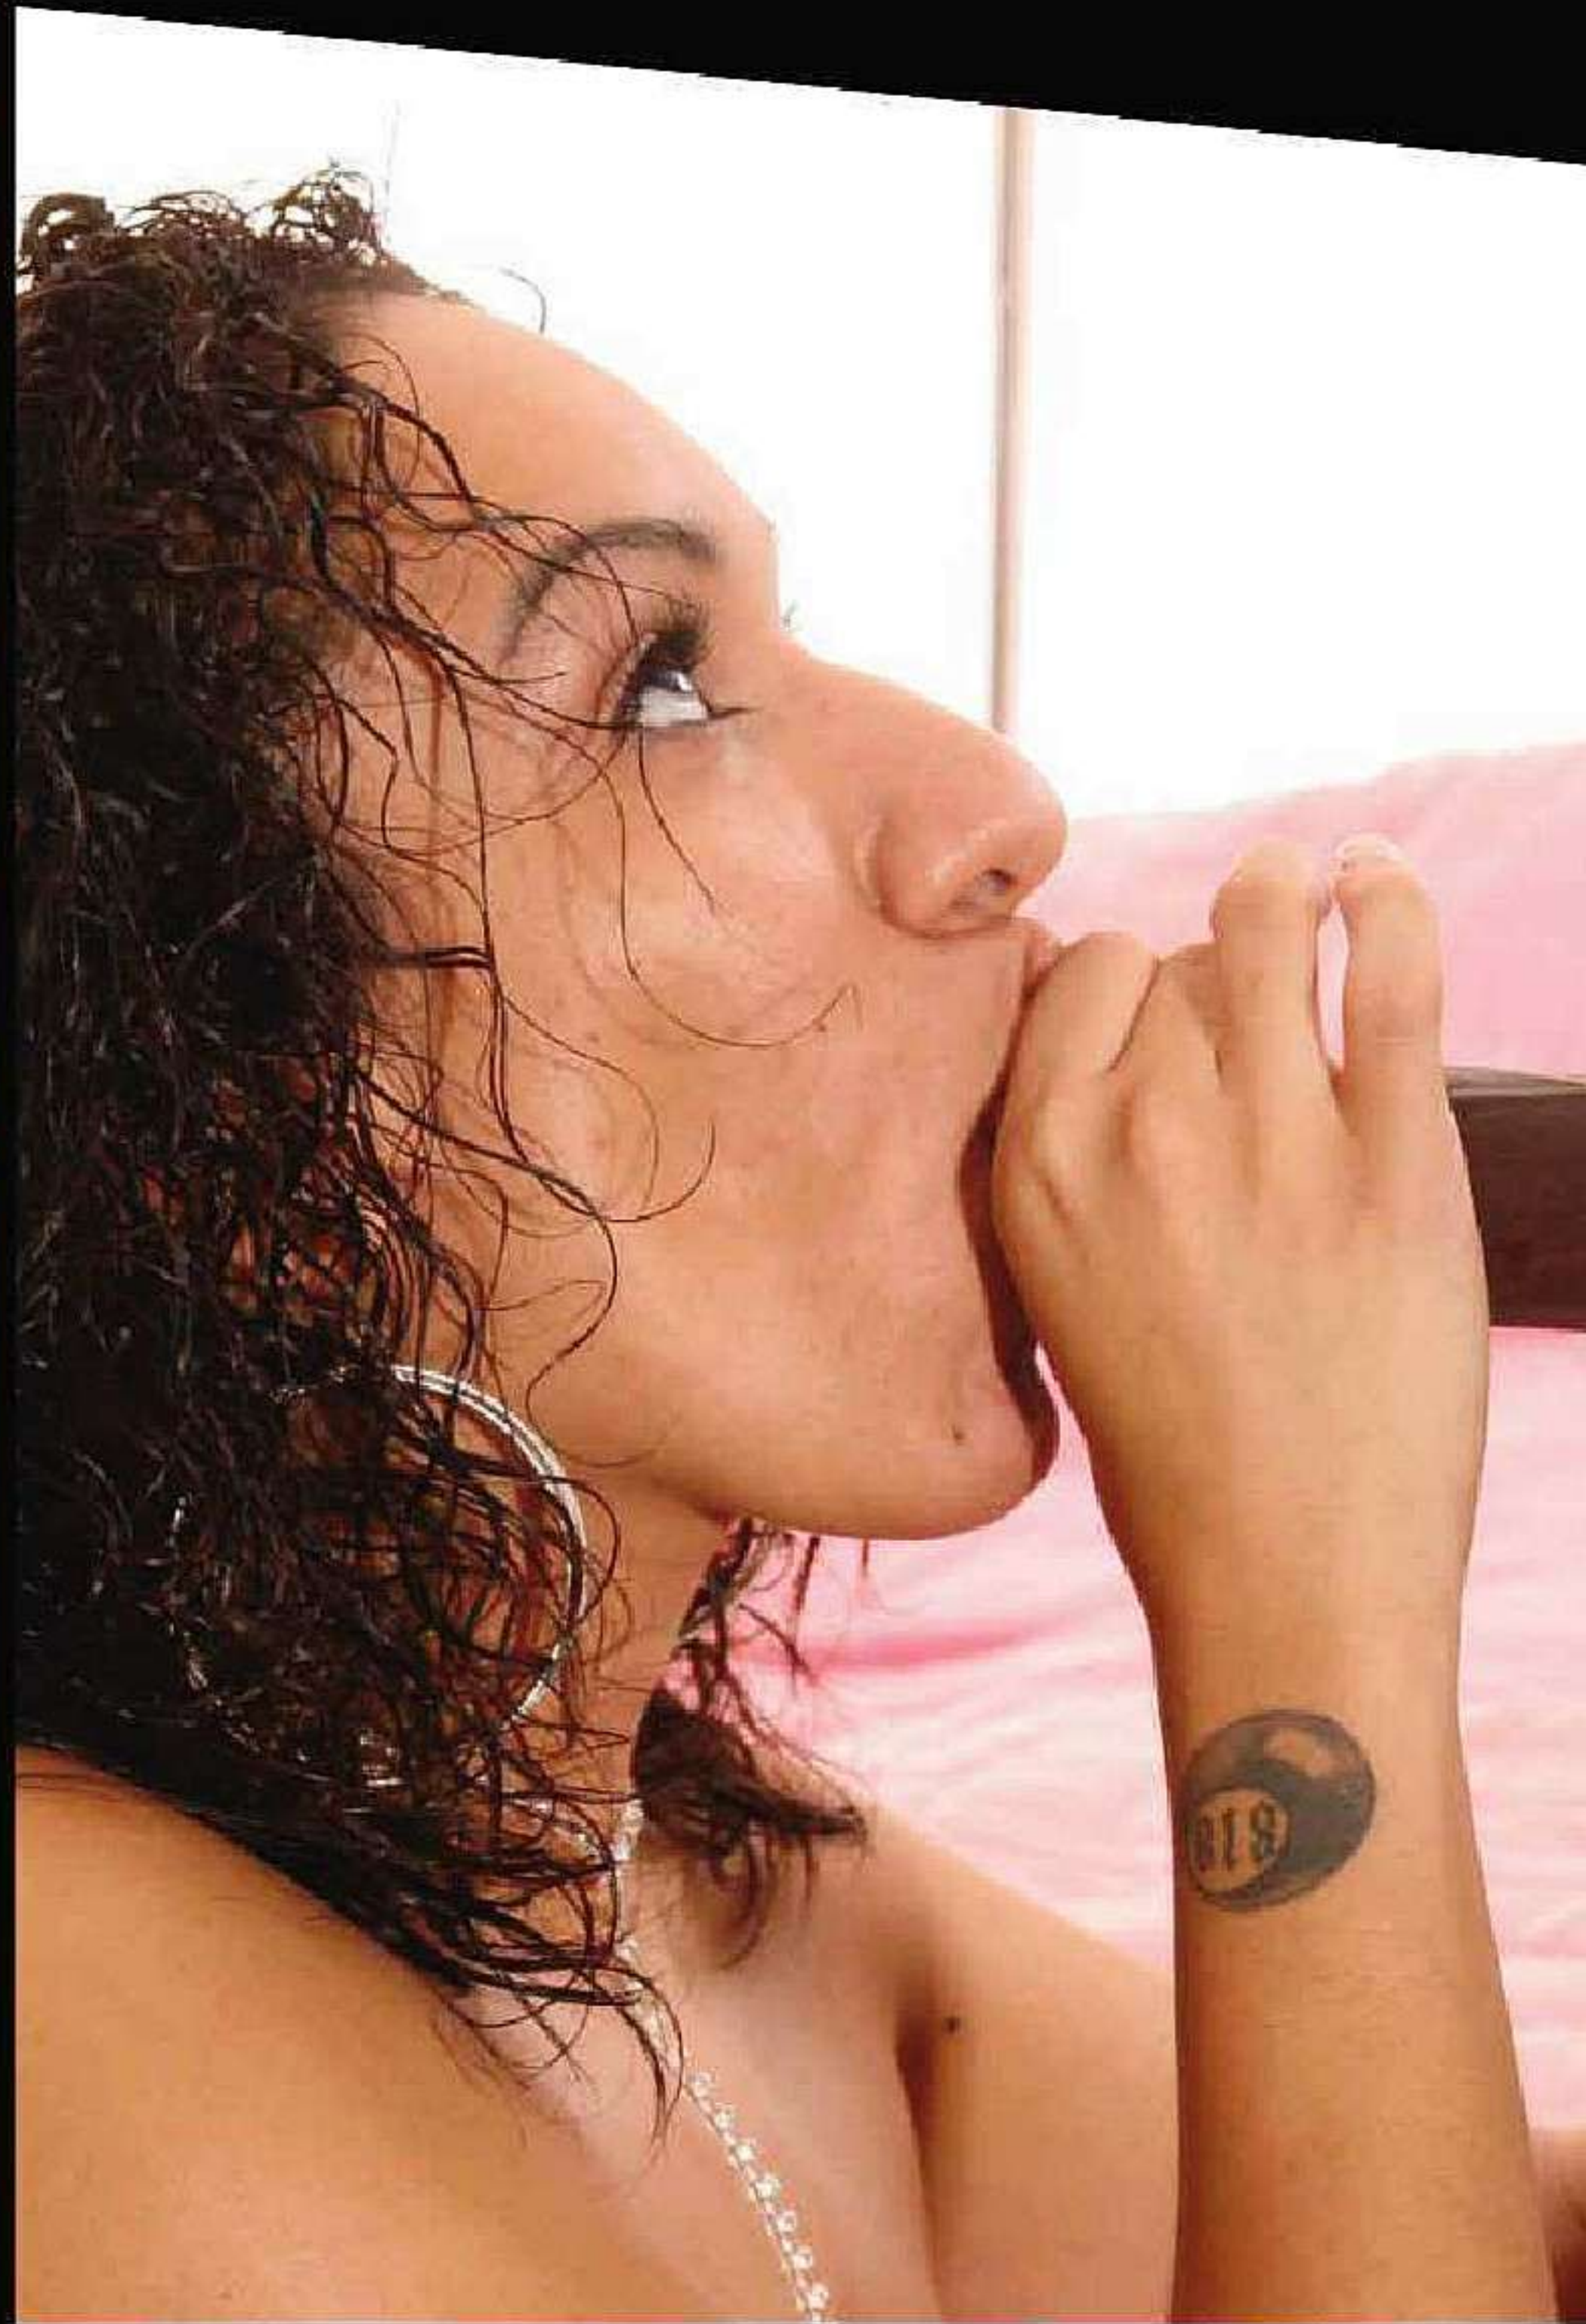

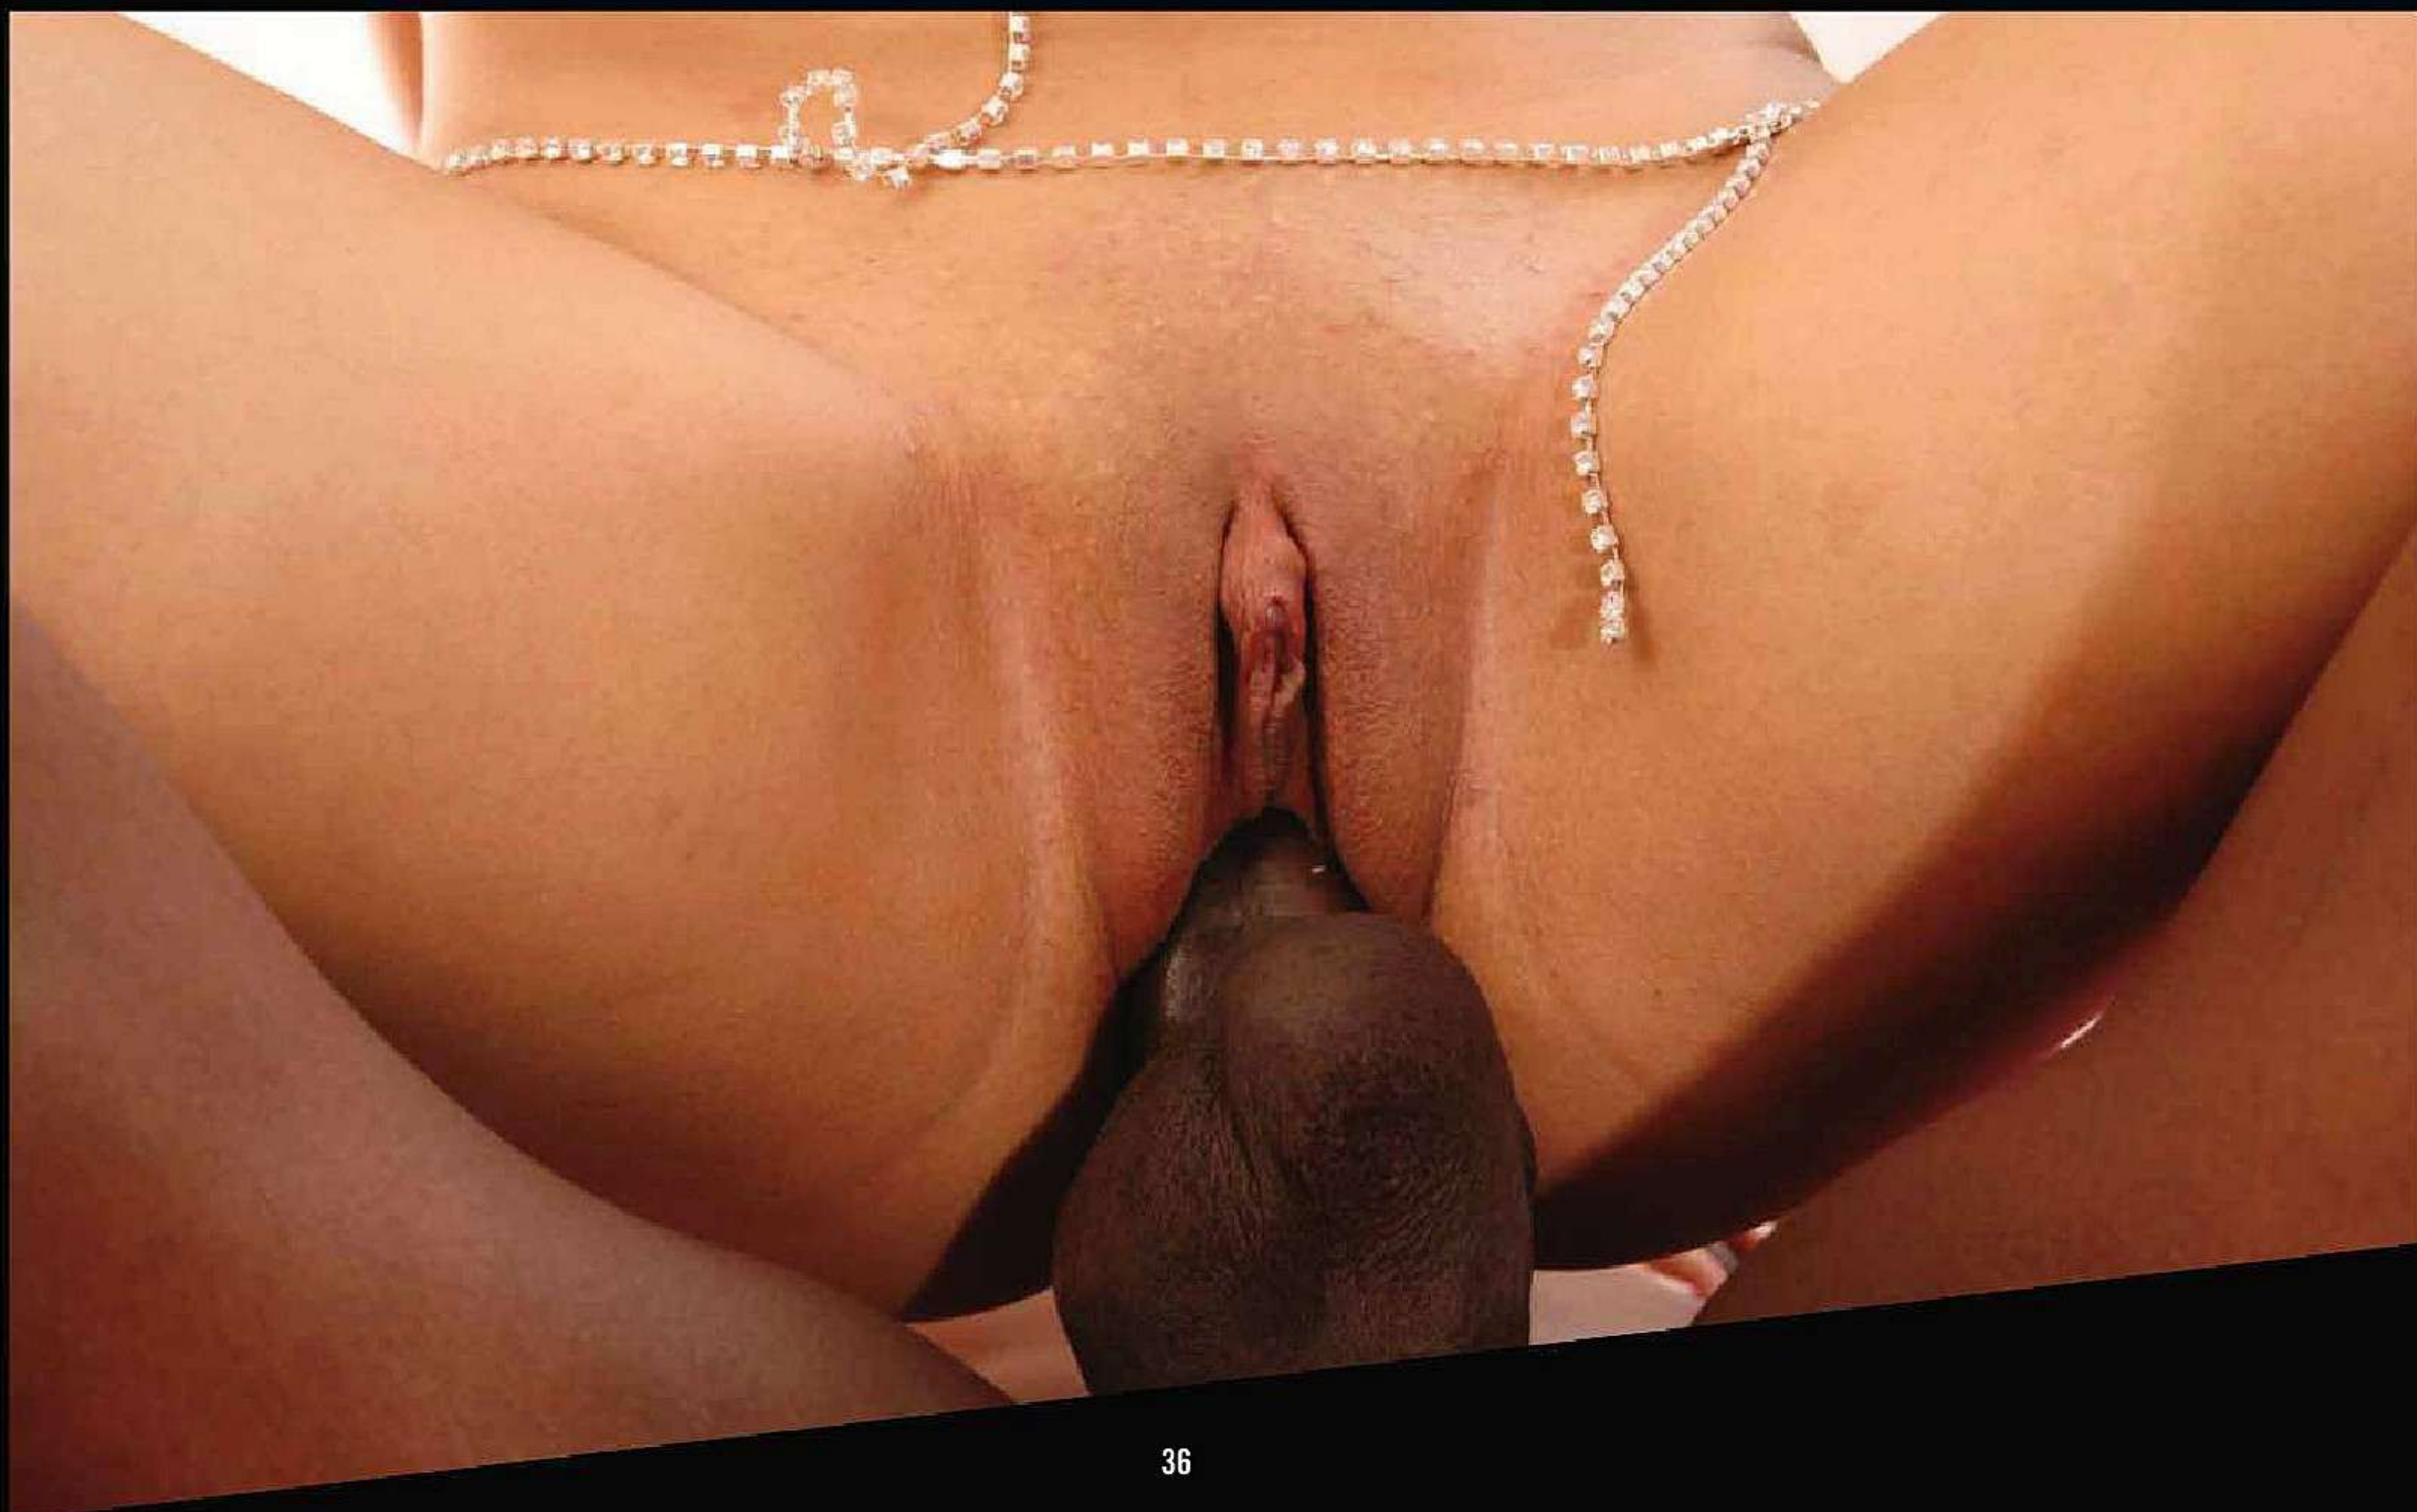

Though she tries not to play favorites, Mikha really knows his way around her pussy. Just look at what his tongue can do to her eager little clit.

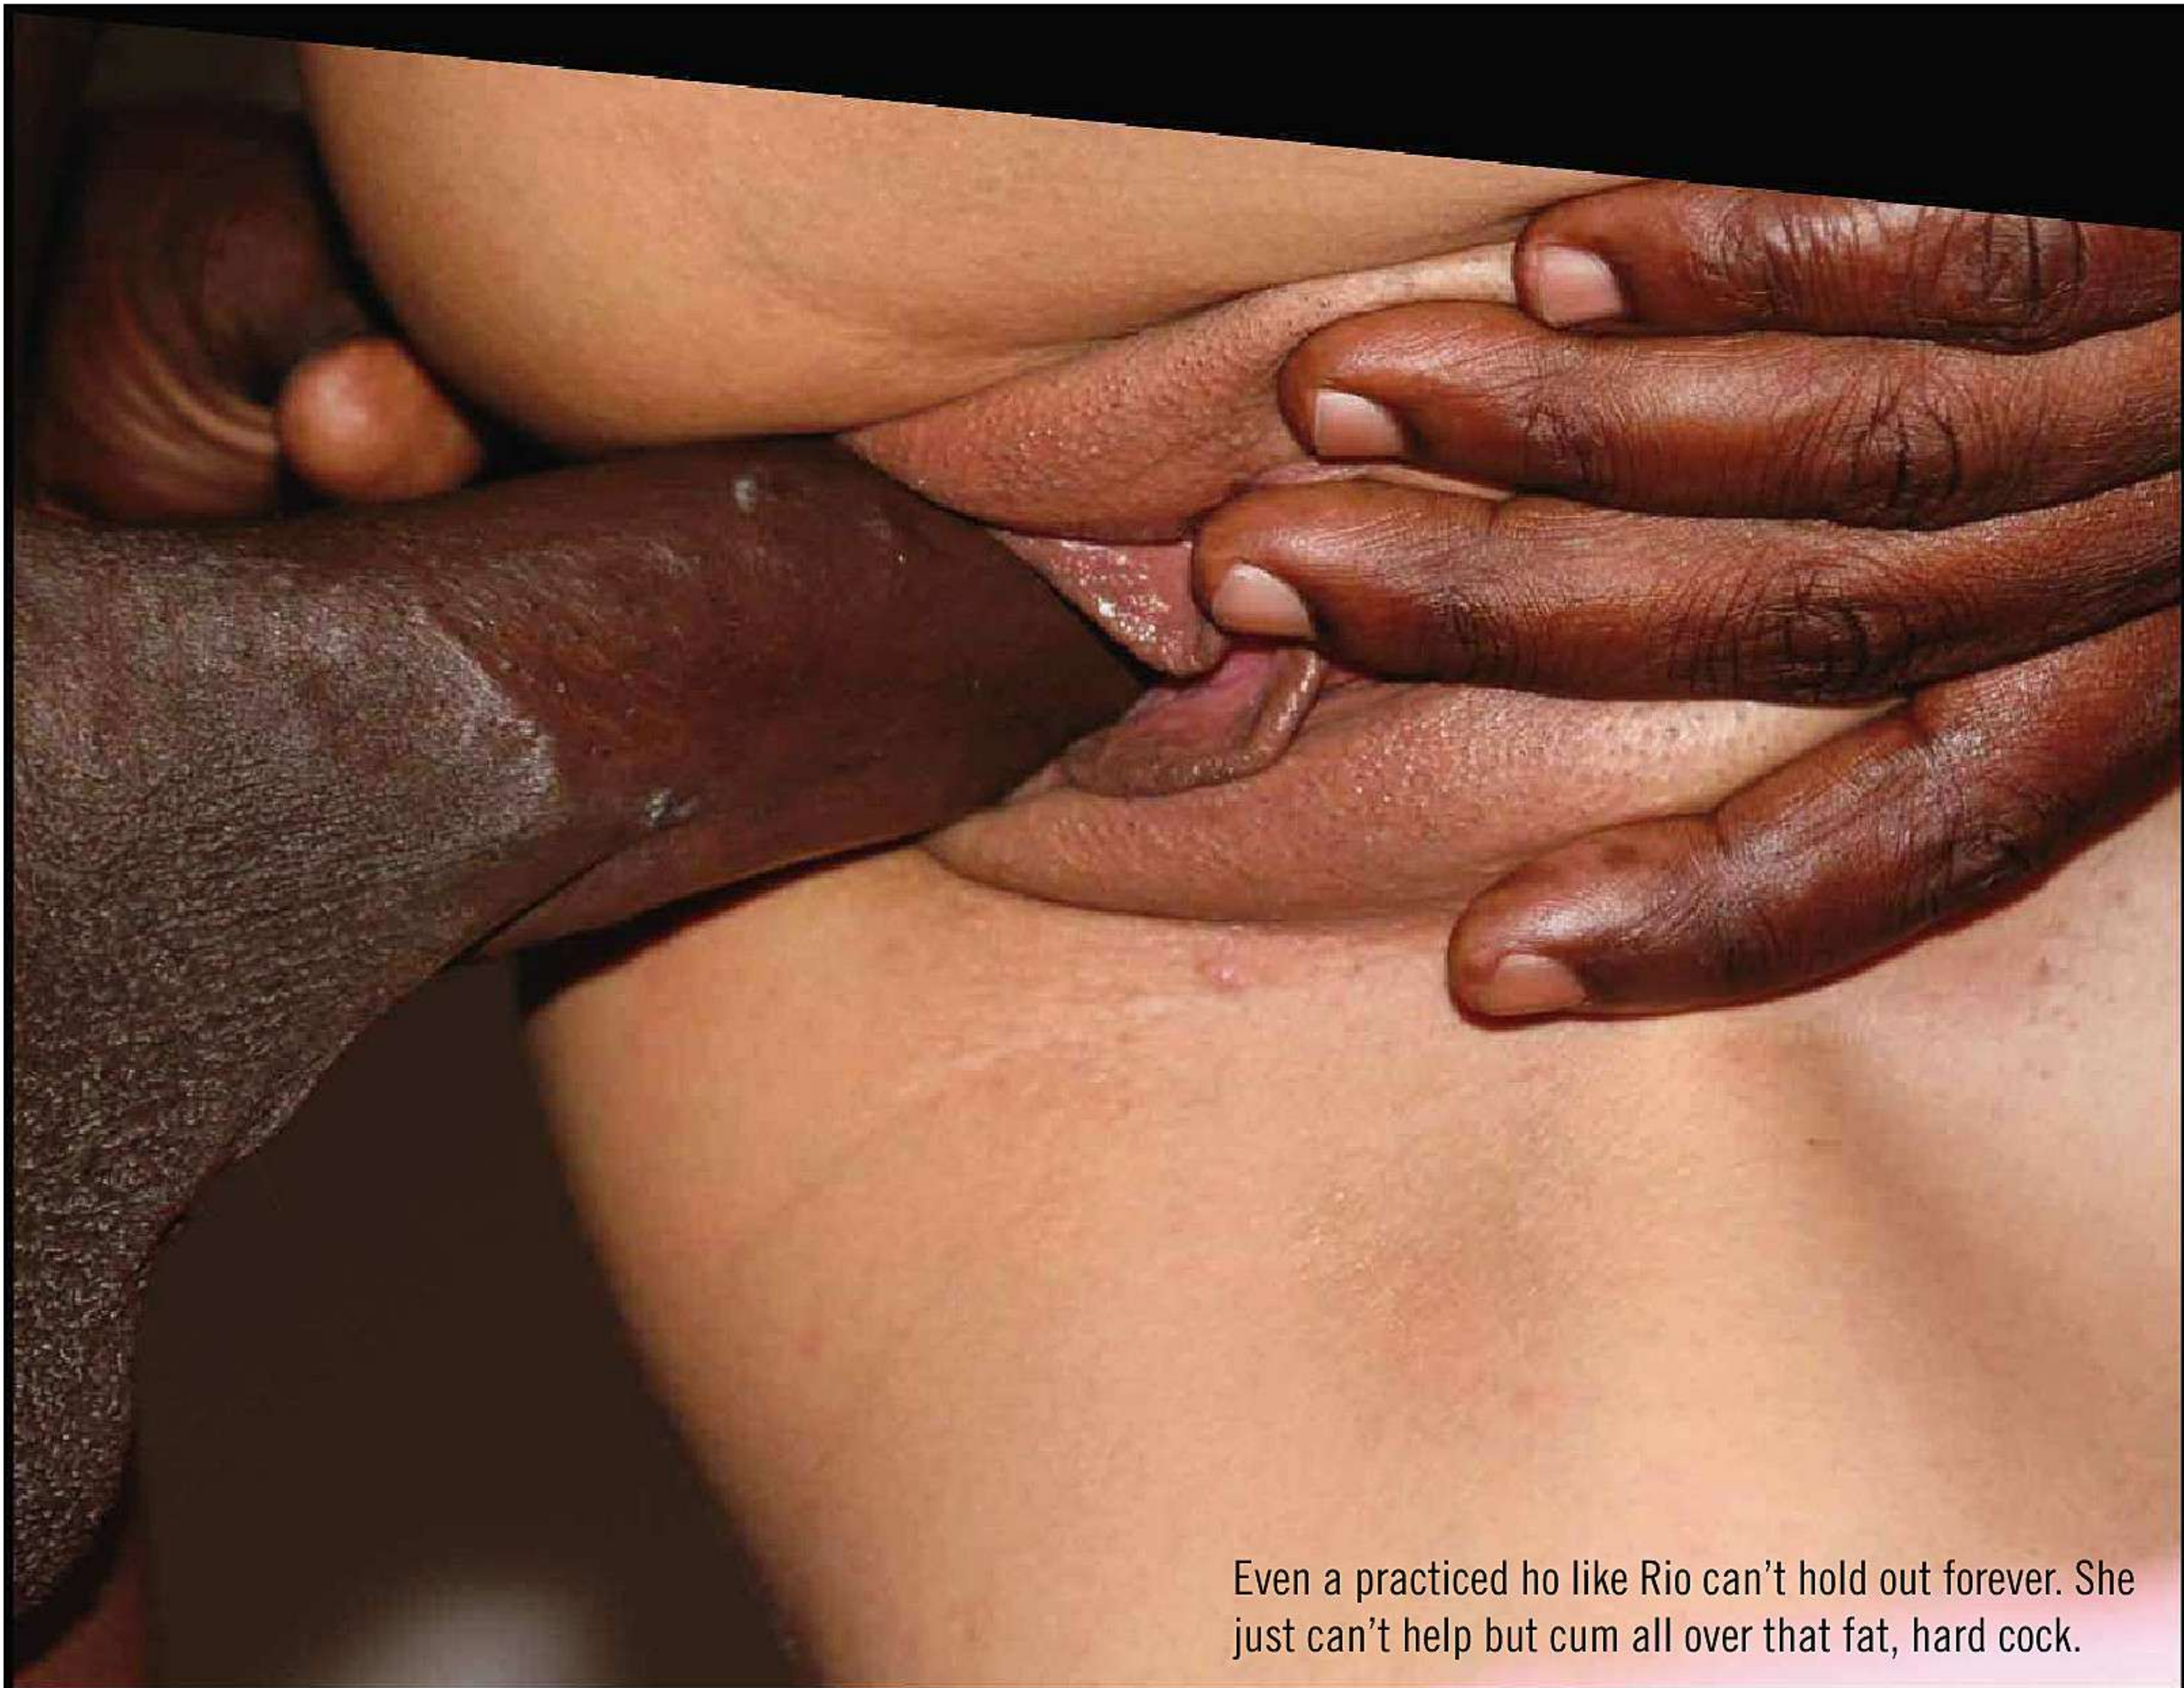

By this point, Mikha's learned that Rio likes to be the one in control. She's one bossy bitch who knows exactly how she wants to get off.

Even a practiced ho like Rio can't hold out forever. She just can't help but cum all over that fat, hard cock.

Our gorgeous covergirl approached us with a special request and we just couldn't say no. Sidney and her man just celebrated their first anniversary together and she decided to finally give him what he has been clamoring for - her perfect ass. Our job? To film this momentous occasion, to eternally preserve the day Sidney's ass was finally penetrated for the first time. Enjoy!

With the thought of where he would soon be sporting, Sidney's boyfriend didn't need any help getting rock-hard. Still, she decided to give him a mini-blowjob. She later admitted that nothing calms her down like a mouthful of meat.

Frankly, with an ass like this, we're amazed that Sidney's waited this long to treat us to this view. If we weren't so busy getting off, we'd feel cheated.

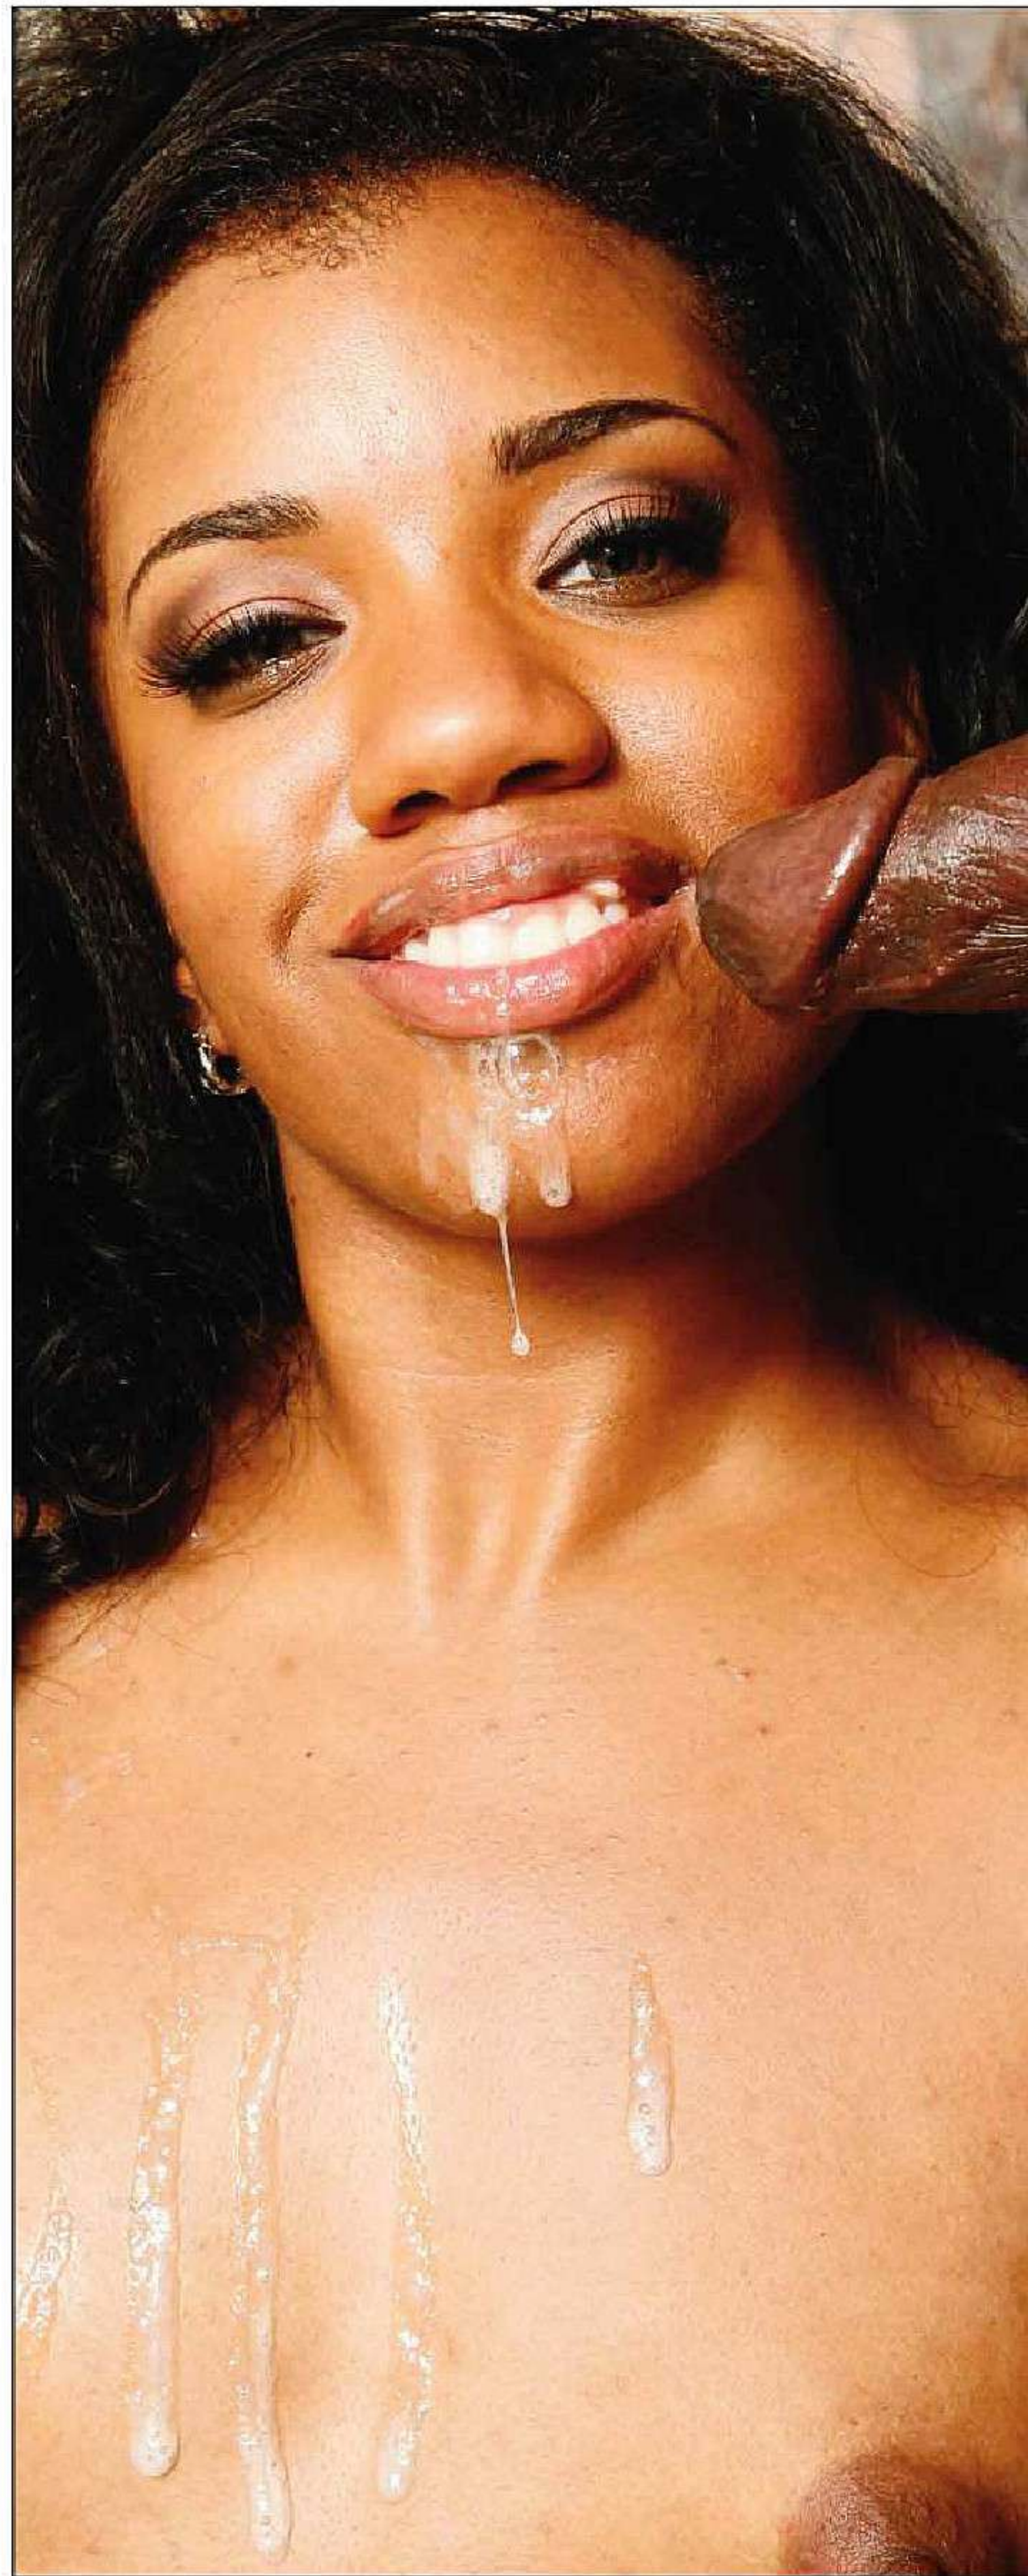

There's just nothing quite like a newly-minted anal slut. From the way this girl is working it, there's no doubt she'll soon be cramming her rear hole as often as she can.

Not afraid of a little ass to mouth? Sidney then proceeded to prove to us that she doesn't do anything half-assed.

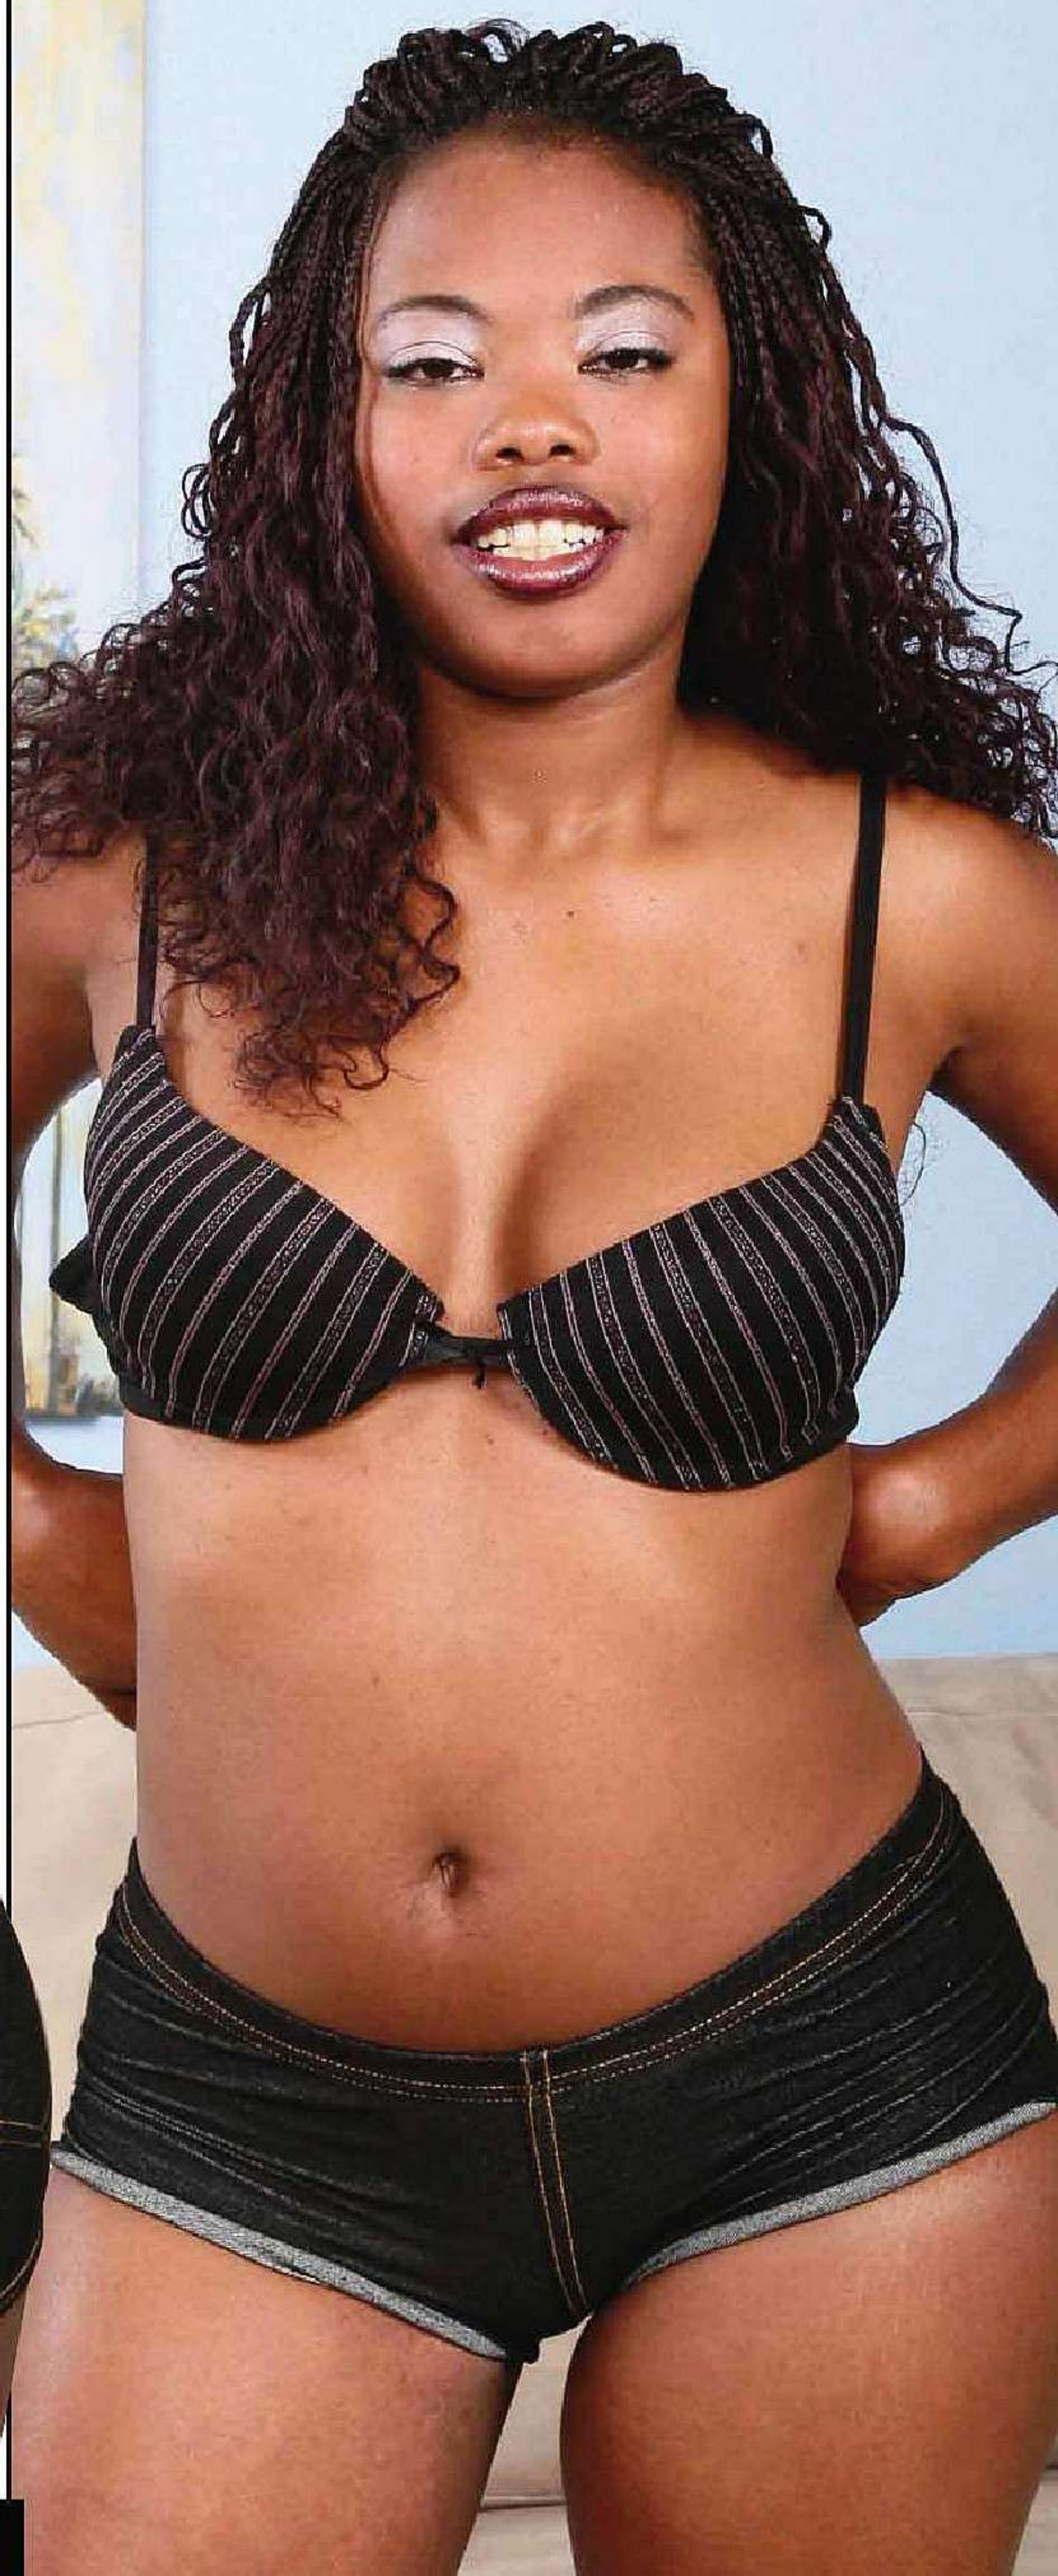

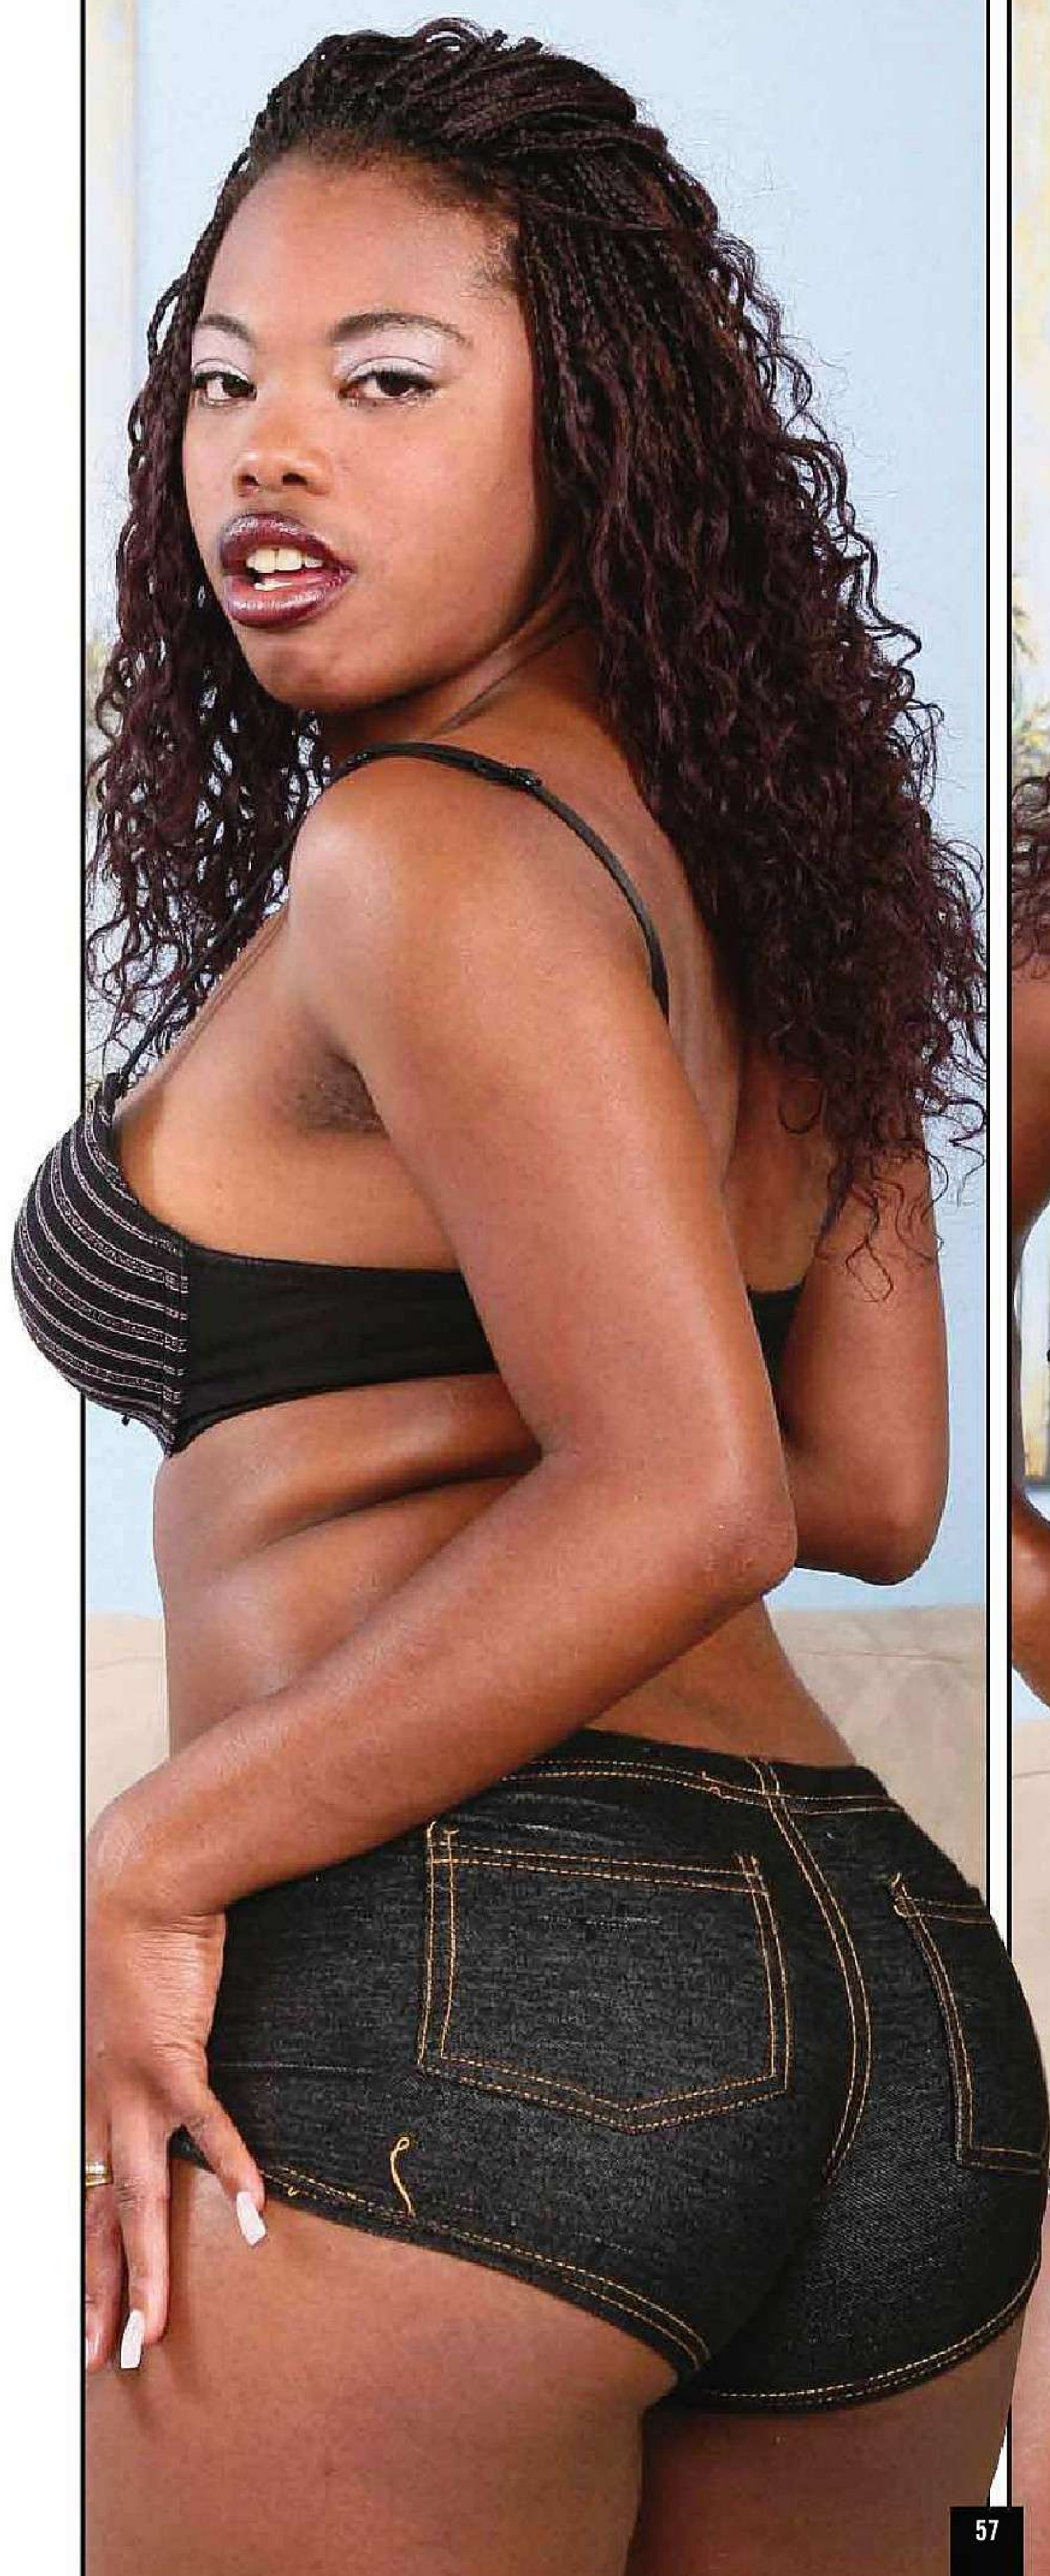

She could be licking you clean right now.

Gentlemen, you're in for a treat! This gorgeous creature landed on our doorstep after the long journey from her native Jamaica. She's a former beauty queen and even did some time as the weather girl on the national television station. Well, she decided she'd had enough of the pageant rat race. Giving the weather, in a country where it's always sunny, wasn't doing it for her anymore. Lucky for us, Destiny was ready to make the jump into a more adult form of entertainment, and her first foray into fornicating on film is fantastic, if we do say so ourselves.

Destiny Lane

Island Fever

She might have left the island behind, but there's still plenty of heat here. We've never seen such a horny slut... and we've seen a lot.

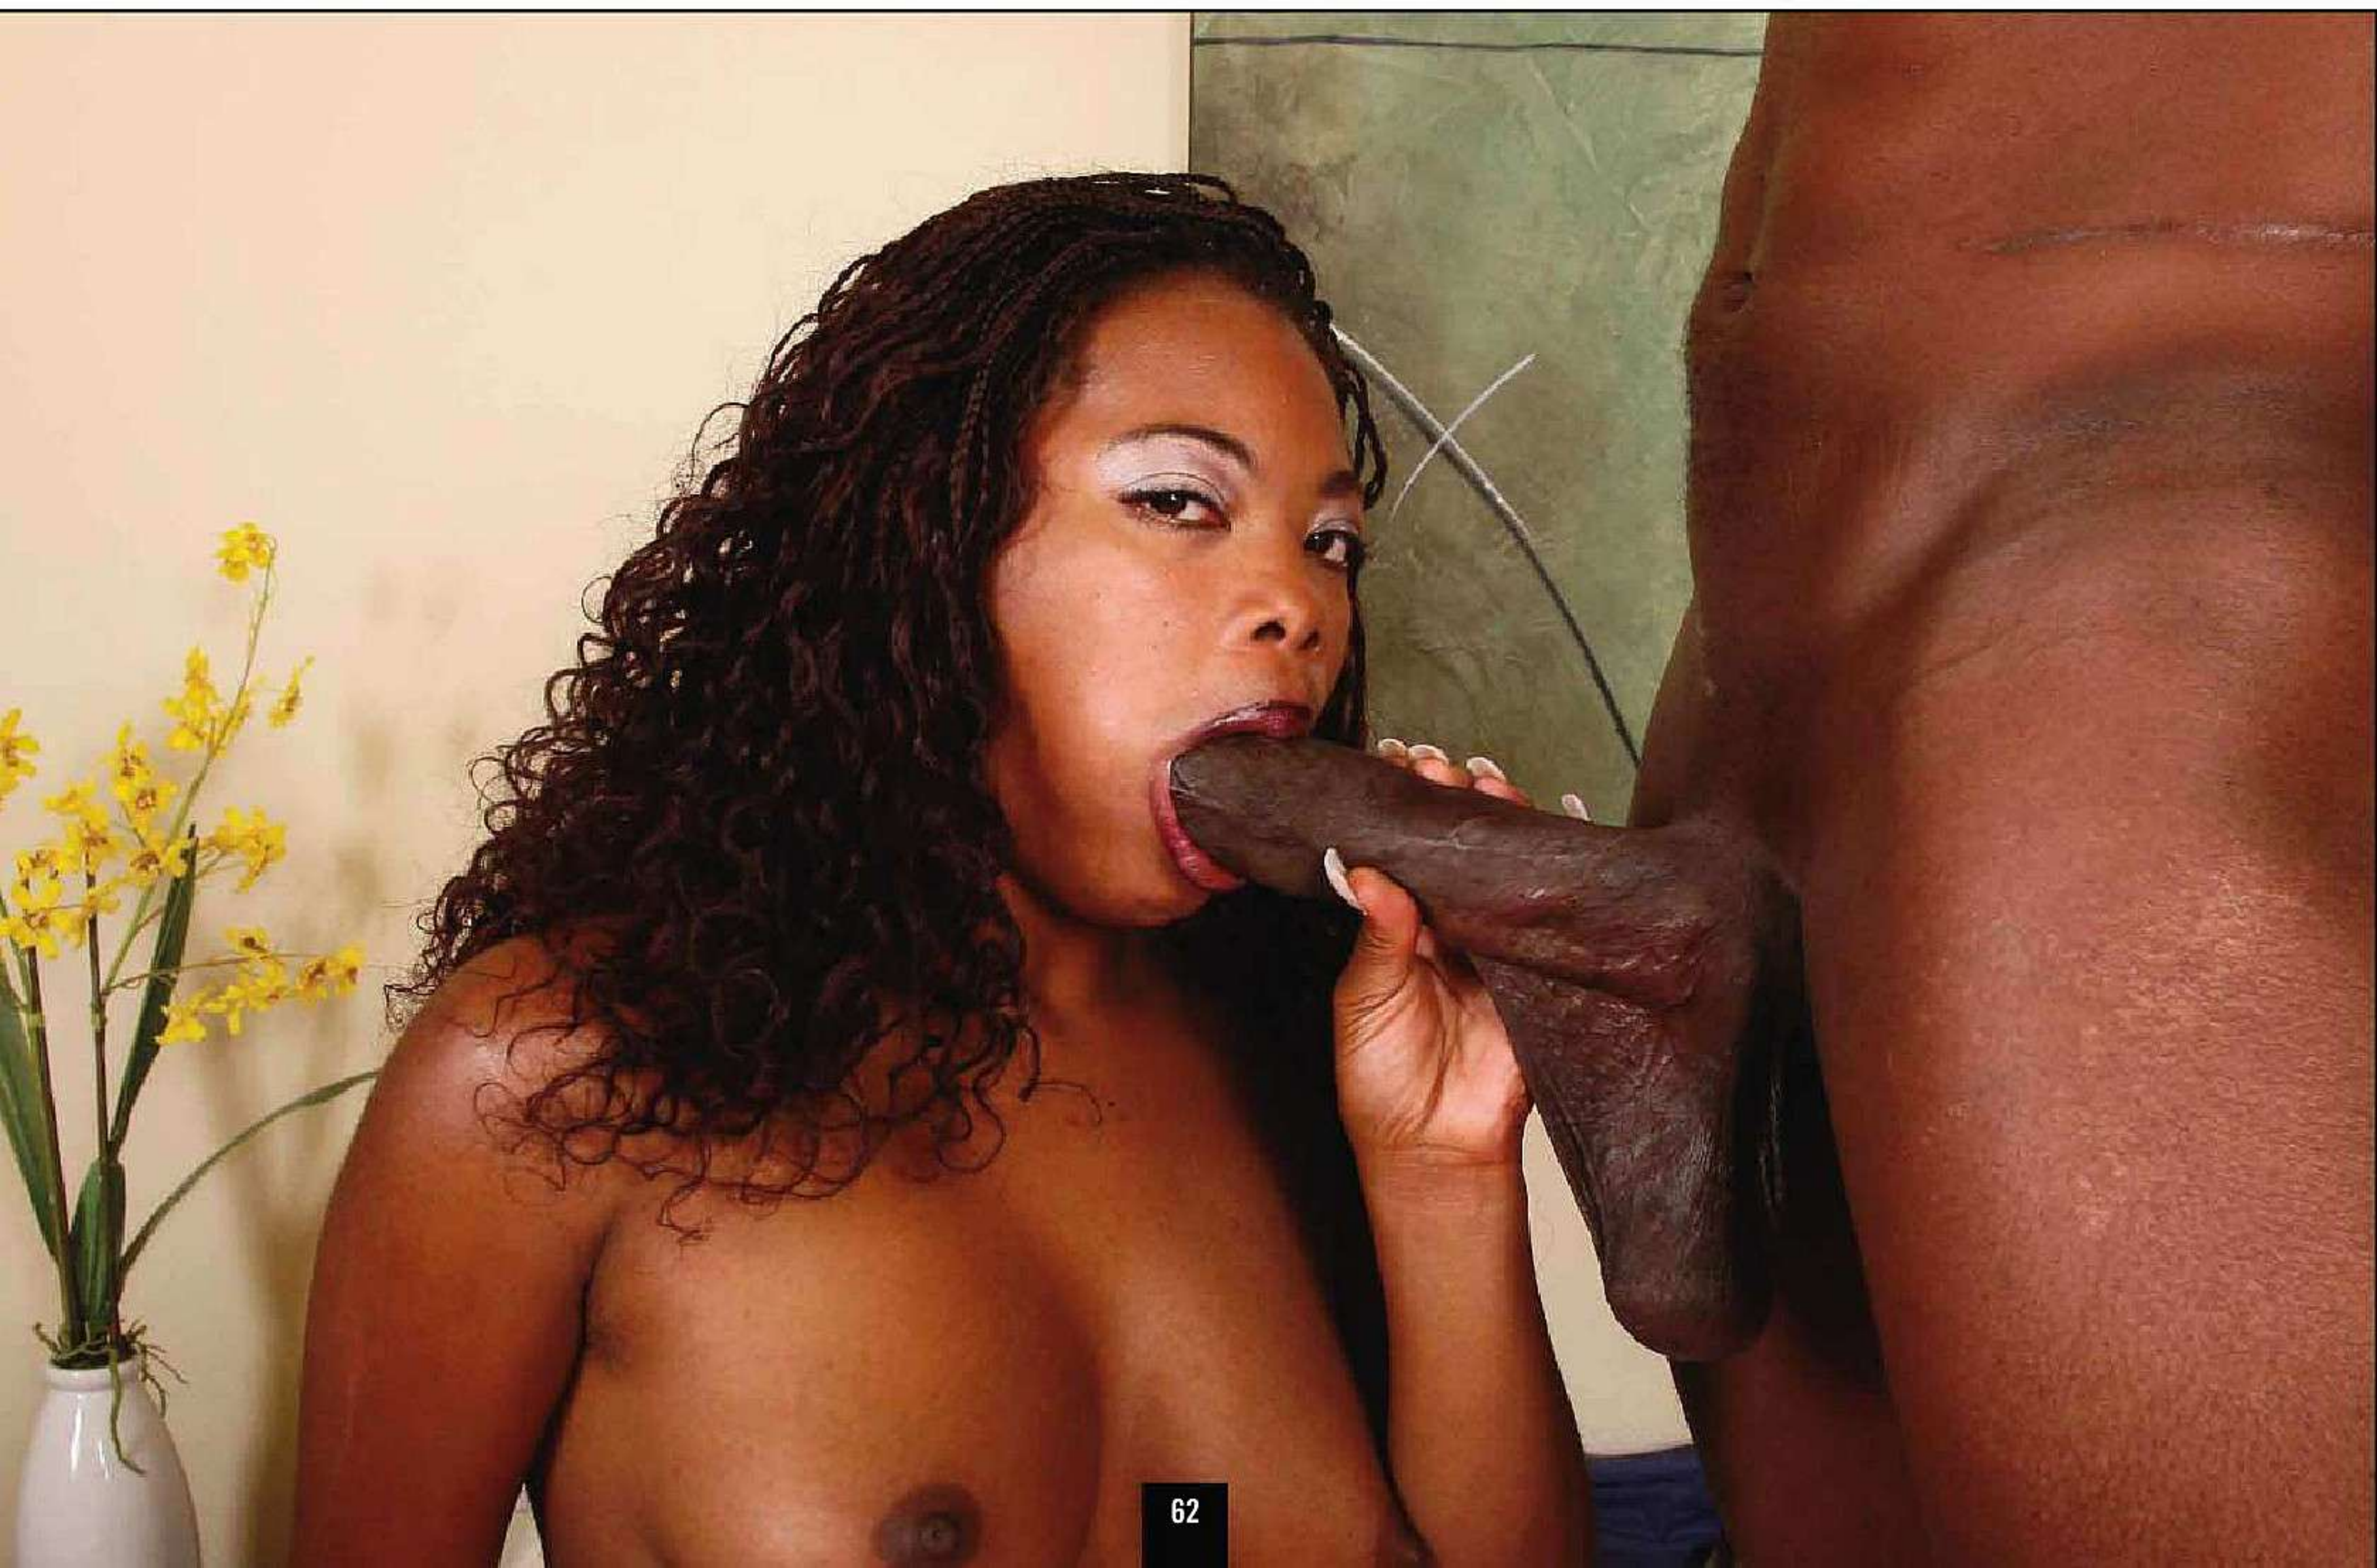

Destiny's body was made for fucking and she doesn't have a shy bone in her.

Though we knew that she must have had some experience with giant cocks, we still weren't prepared for the way Destiny deep throated this oversized monster.

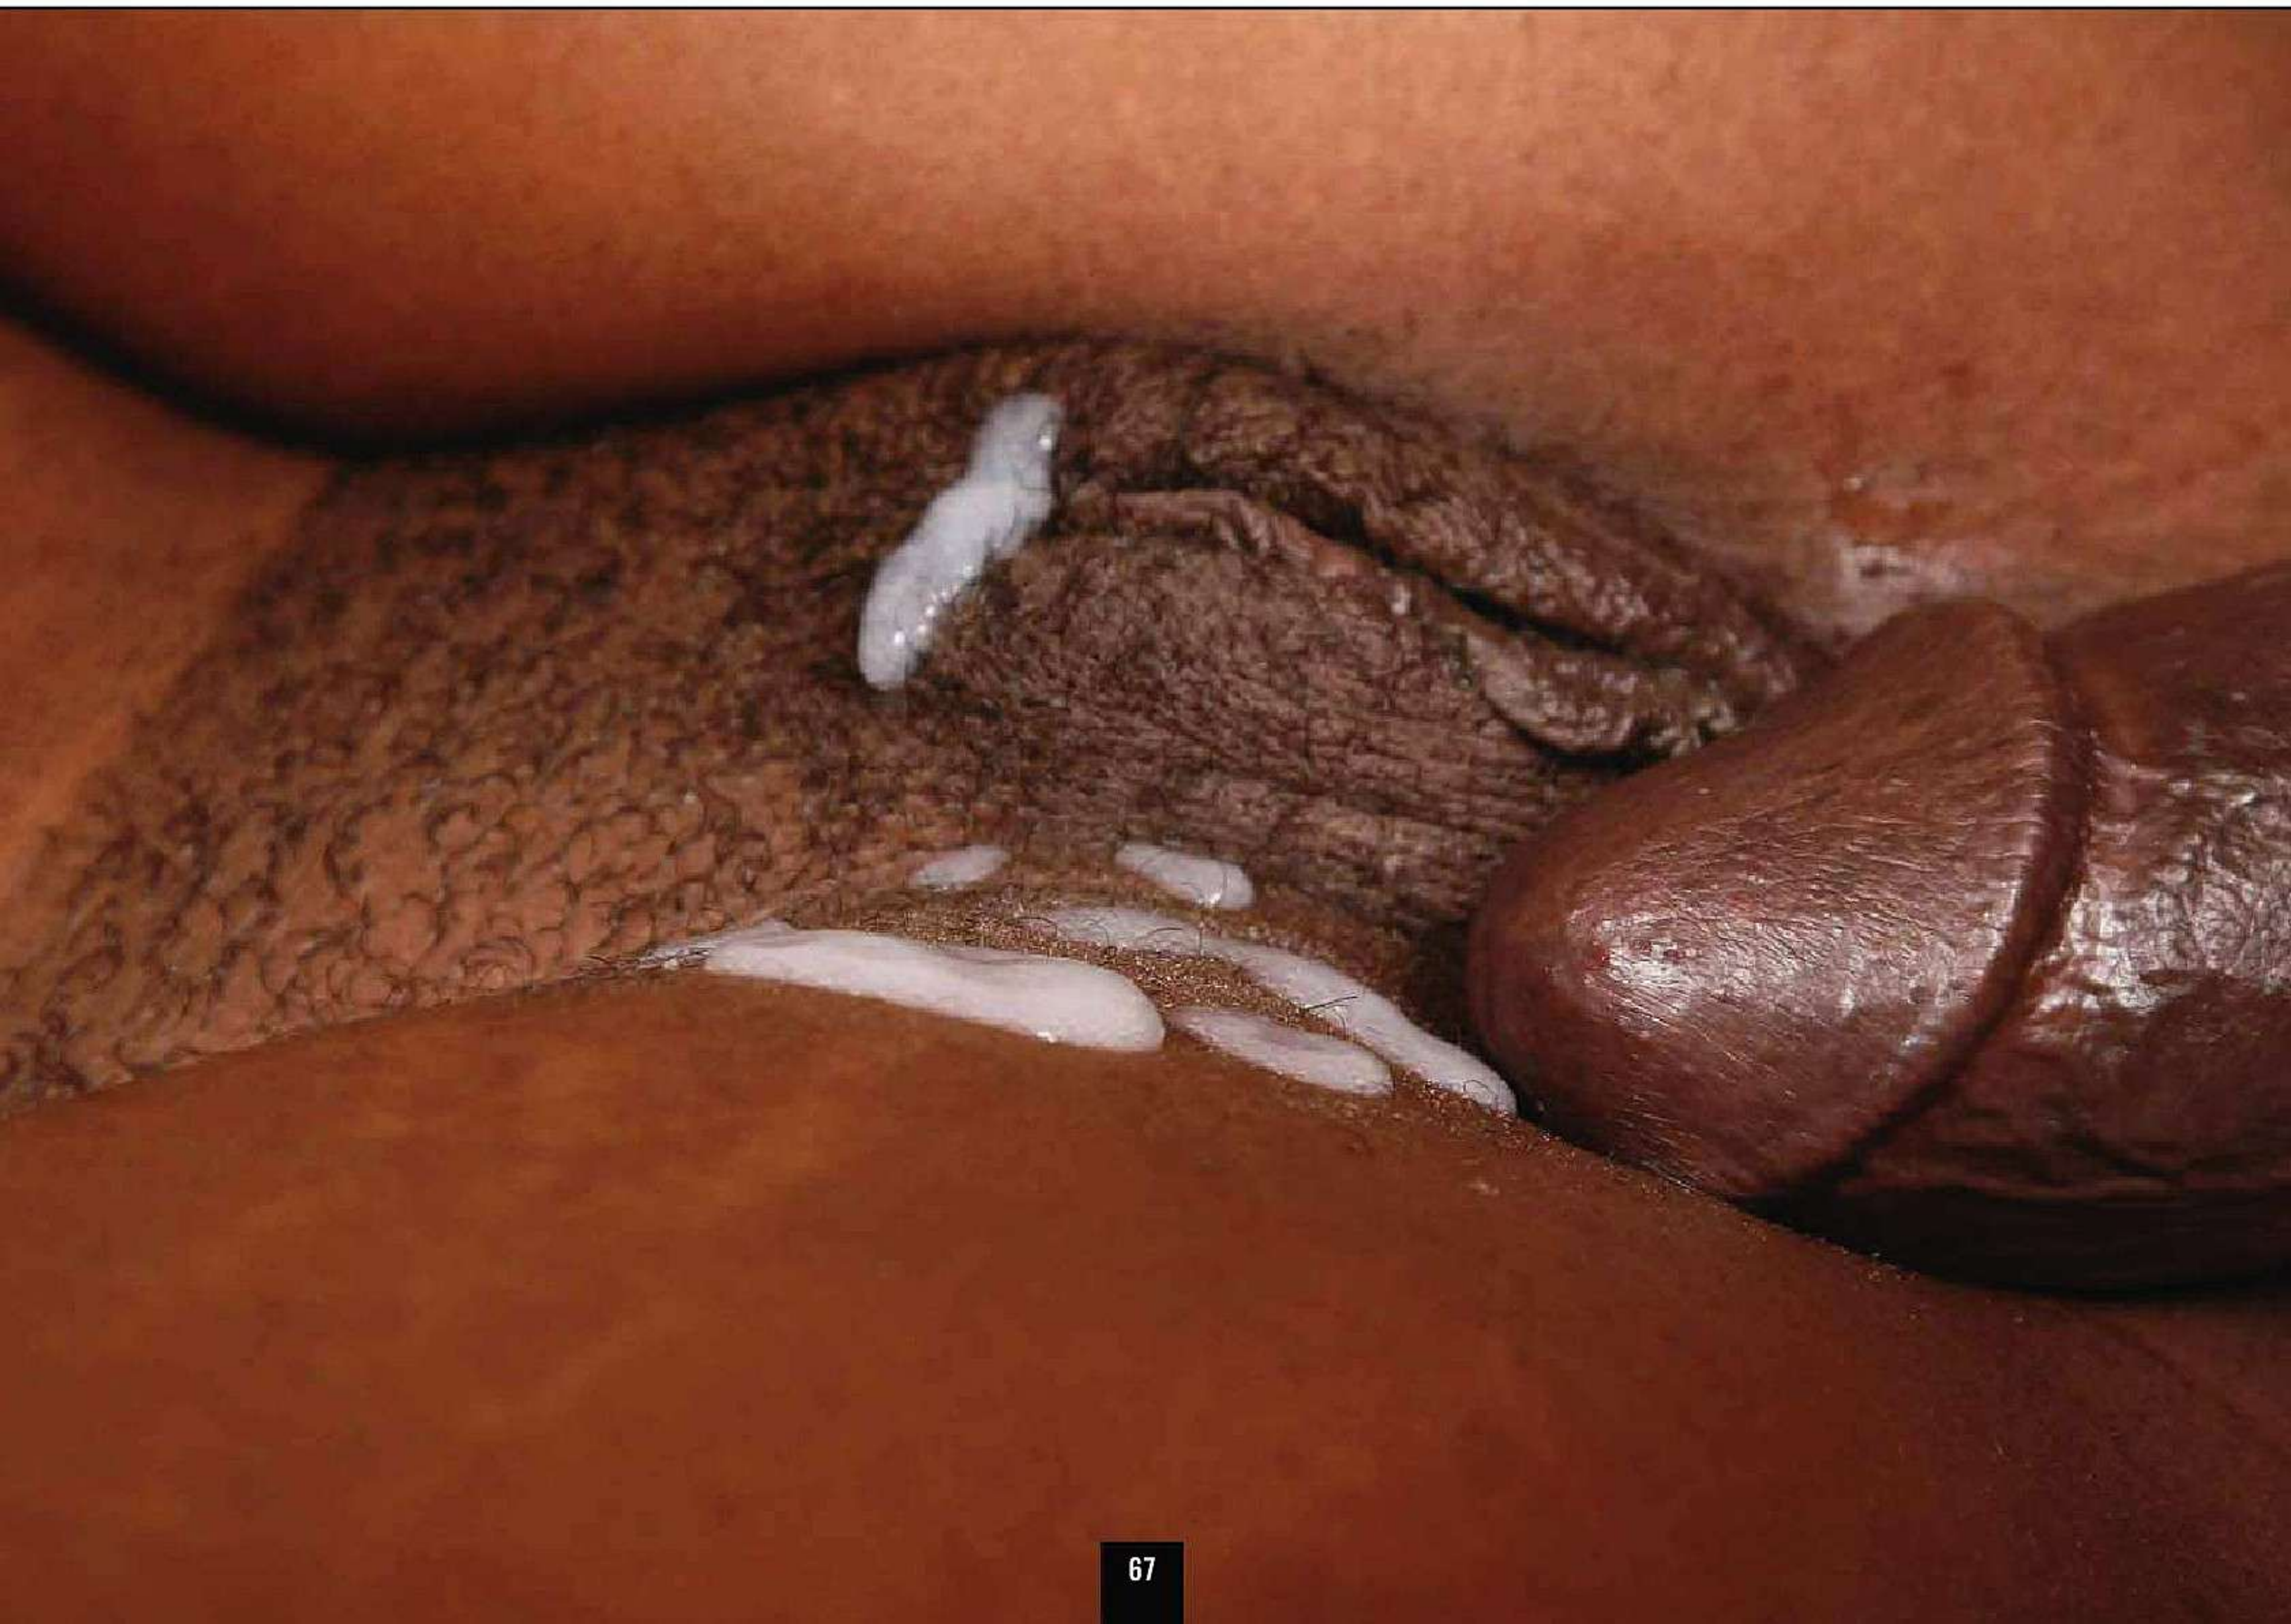

You better bet we're gonna keep an eye on this red-hot sexy newcummer.

Vanessa Monet

Model Behavior

Vanessa always liked being the center of attention. She's bossy and loud and heaven forbid you ever tell her no. Though she works as a legitimate model, after work hours, there's no telling what kind of trouble she's getting into. She's always been a bit wild, and as she got older, she got downright perverse. After a grueling day in front of the cameras, there's nothing that relieves her like a heated, oily tumble. As you can see, this chick is no stranger to rectal reamings. In fact, nothing makes her happier than a crack-full of cock.

A woman with dark hair and heavy eye makeup is posing on a couch with a gold and brown patterned fabric. She is wearing a black fishnet bodysuit and black high-heeled shoes. Her hands are placed on her hips and thighs, and she is looking directly at the camera with a slight smile.

Don't let her little hole fool you. Though this is one well-used chute, her muscles know just what they're doing. There's nothing sloppy about Vanessa's technique.

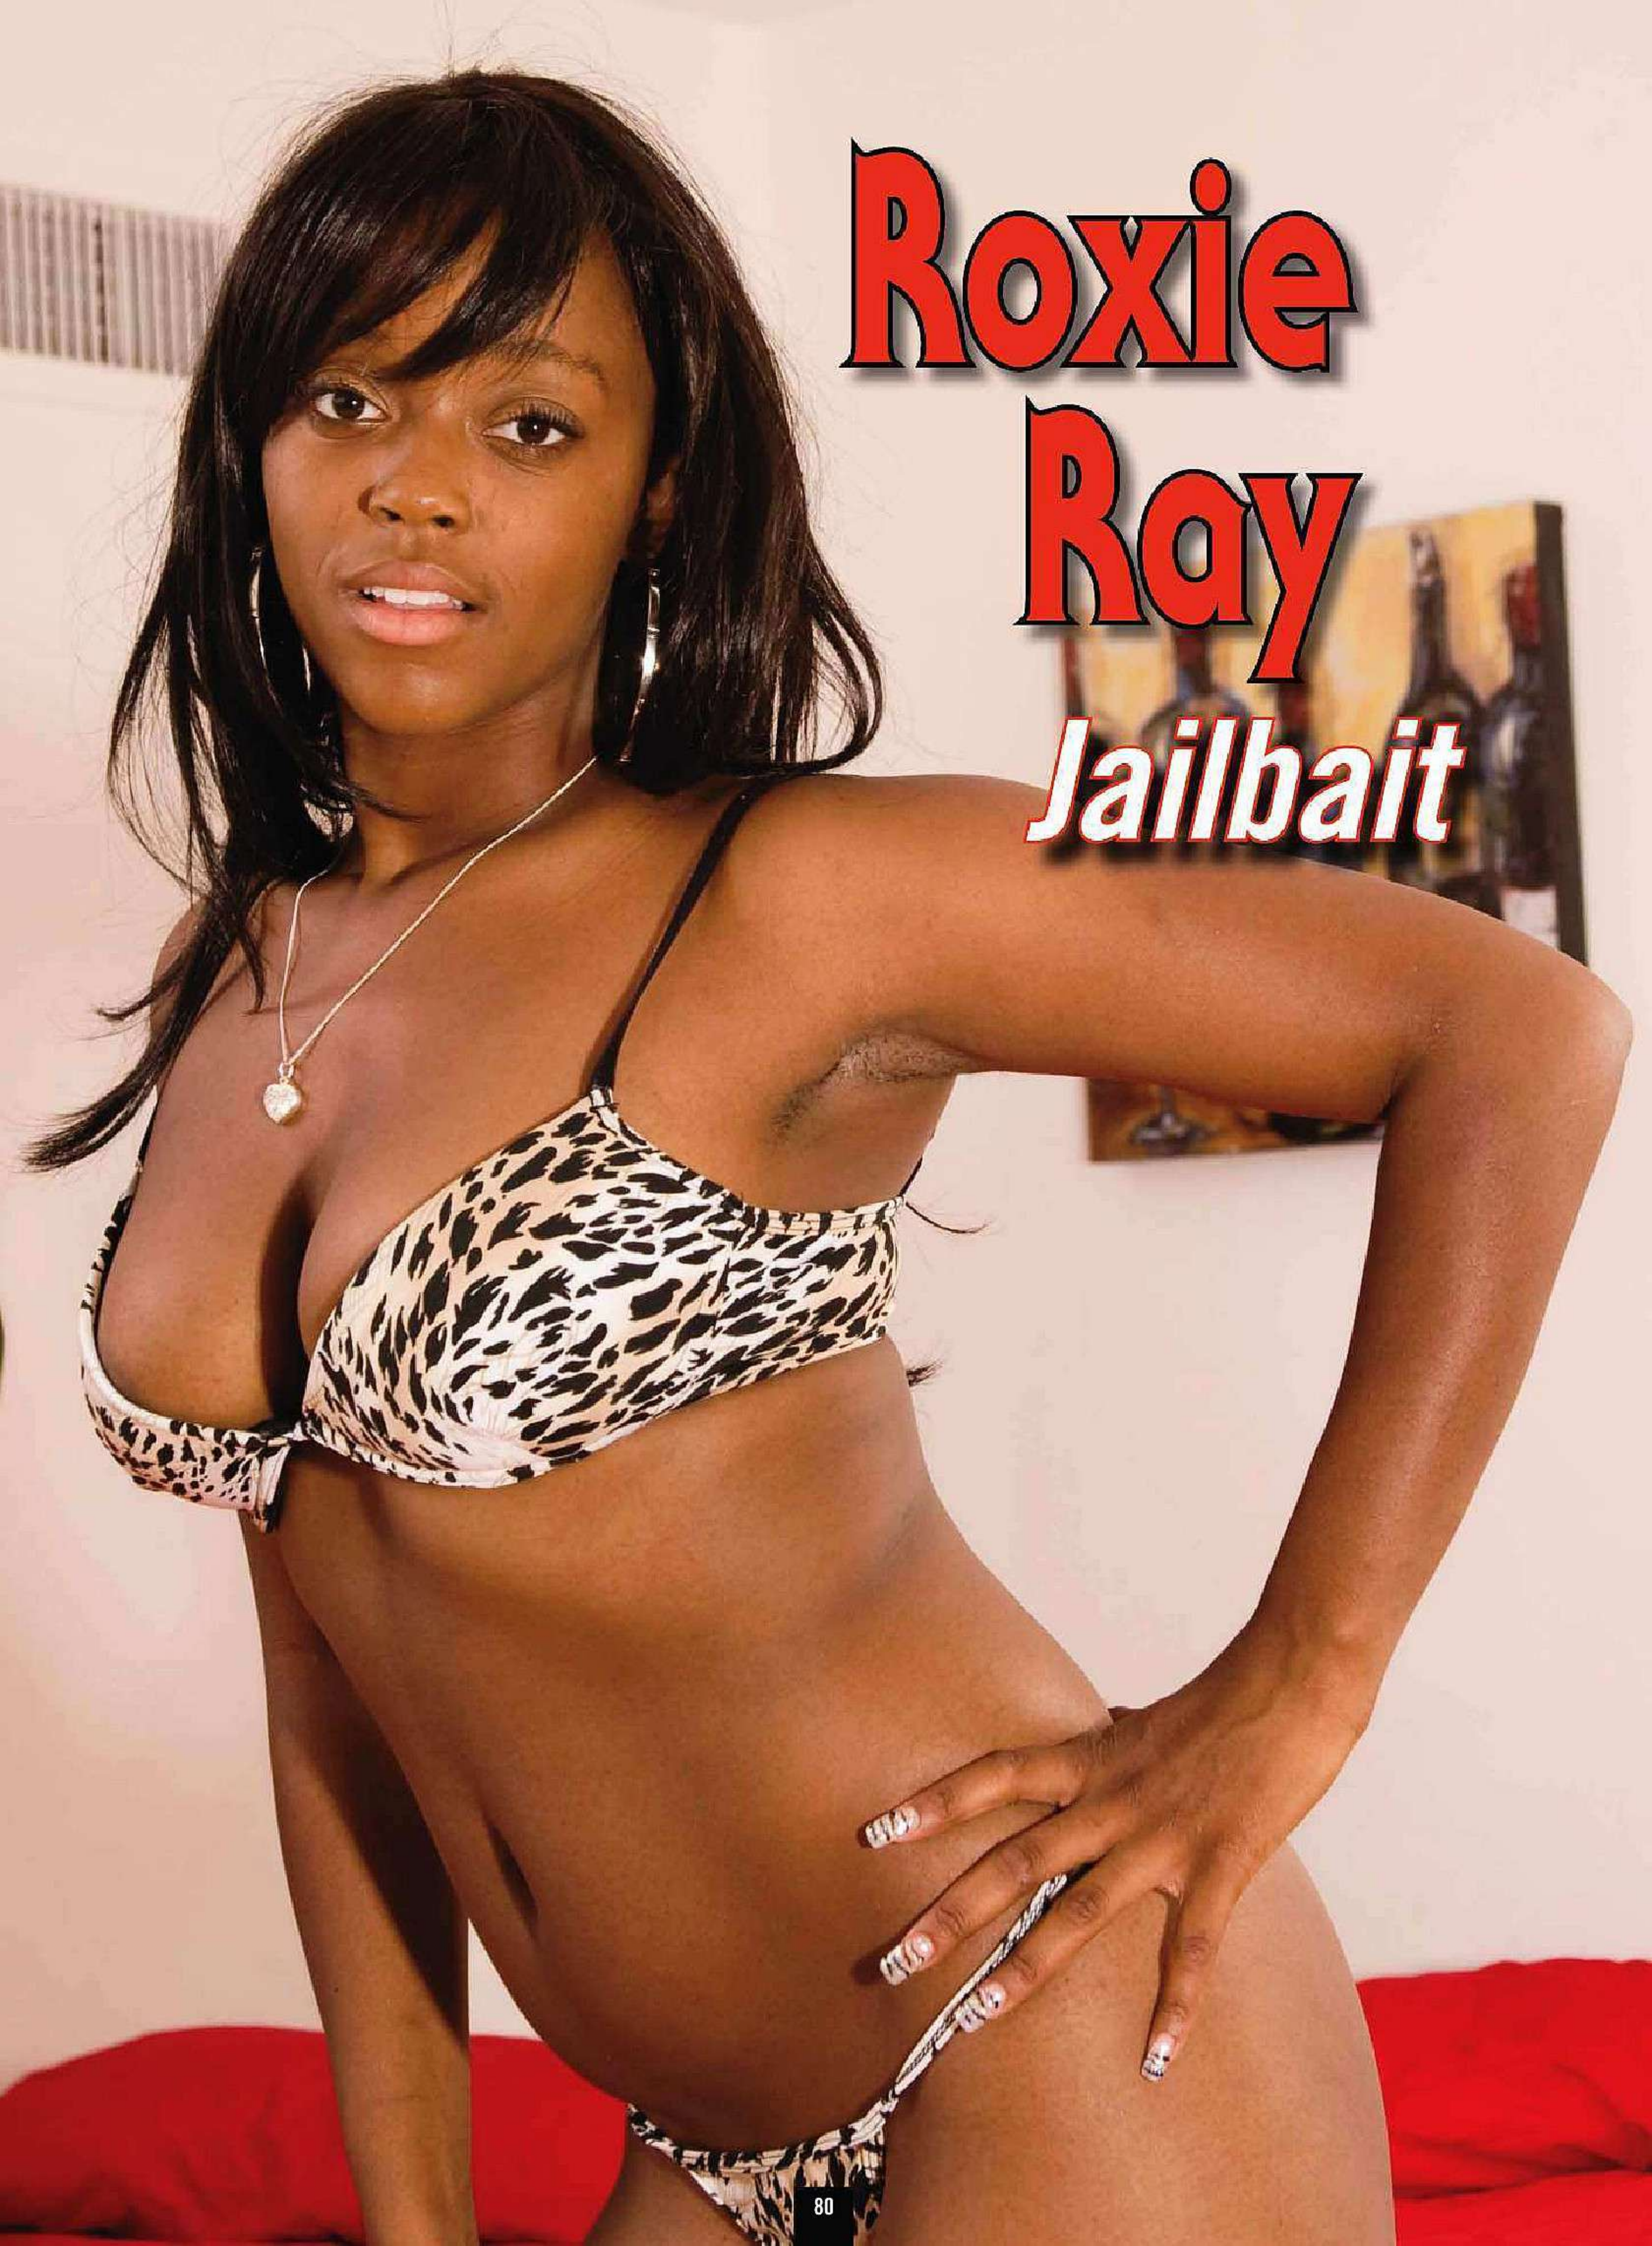

She might be a loud bitch, but she also knows how to put her mouth to good use. Once she starts, she won't stop until she's good and ready...

... Or is drenched in cream,
whichever cums first.
She's ready to take on all cummers.

Roxie
Ray
Jailbait

Roxie might look like an innocent sweetheart, but she's had her fair share of hard knocks. She made the mistake of losing her heart to a guy who felt a bit too macho behind a gun. Two robberies into his crime spree, his luck ran out. Facing an extended stint behind bars, this love-struck cutie promised to stick with him through thick and thin. She's always made sure to take care of all of his needs, and prison wasn't about to stop her from keeping it up. She started sending him racy, downright perverse, photos of herself, reminding him that he had something to look forward to when he finally got out. Now, after years of waiting, he's about to get reacquainted with his sexy girlfriend.

Her boyfriend was a real stand-up guy and believed in sharing - Roxies's pics were no exception. Many cocks were jacked over her hot little ass.

Nothing's as good as the real thing though. Their first fuck was incendiary, to say the least. This was one very horny and hungry girl.

After years without feeling or tasting a woman, this guy wasn't about to go easy on his longtime lover. Thankfully, her itchy little snatch was ready for his hard-core assault.

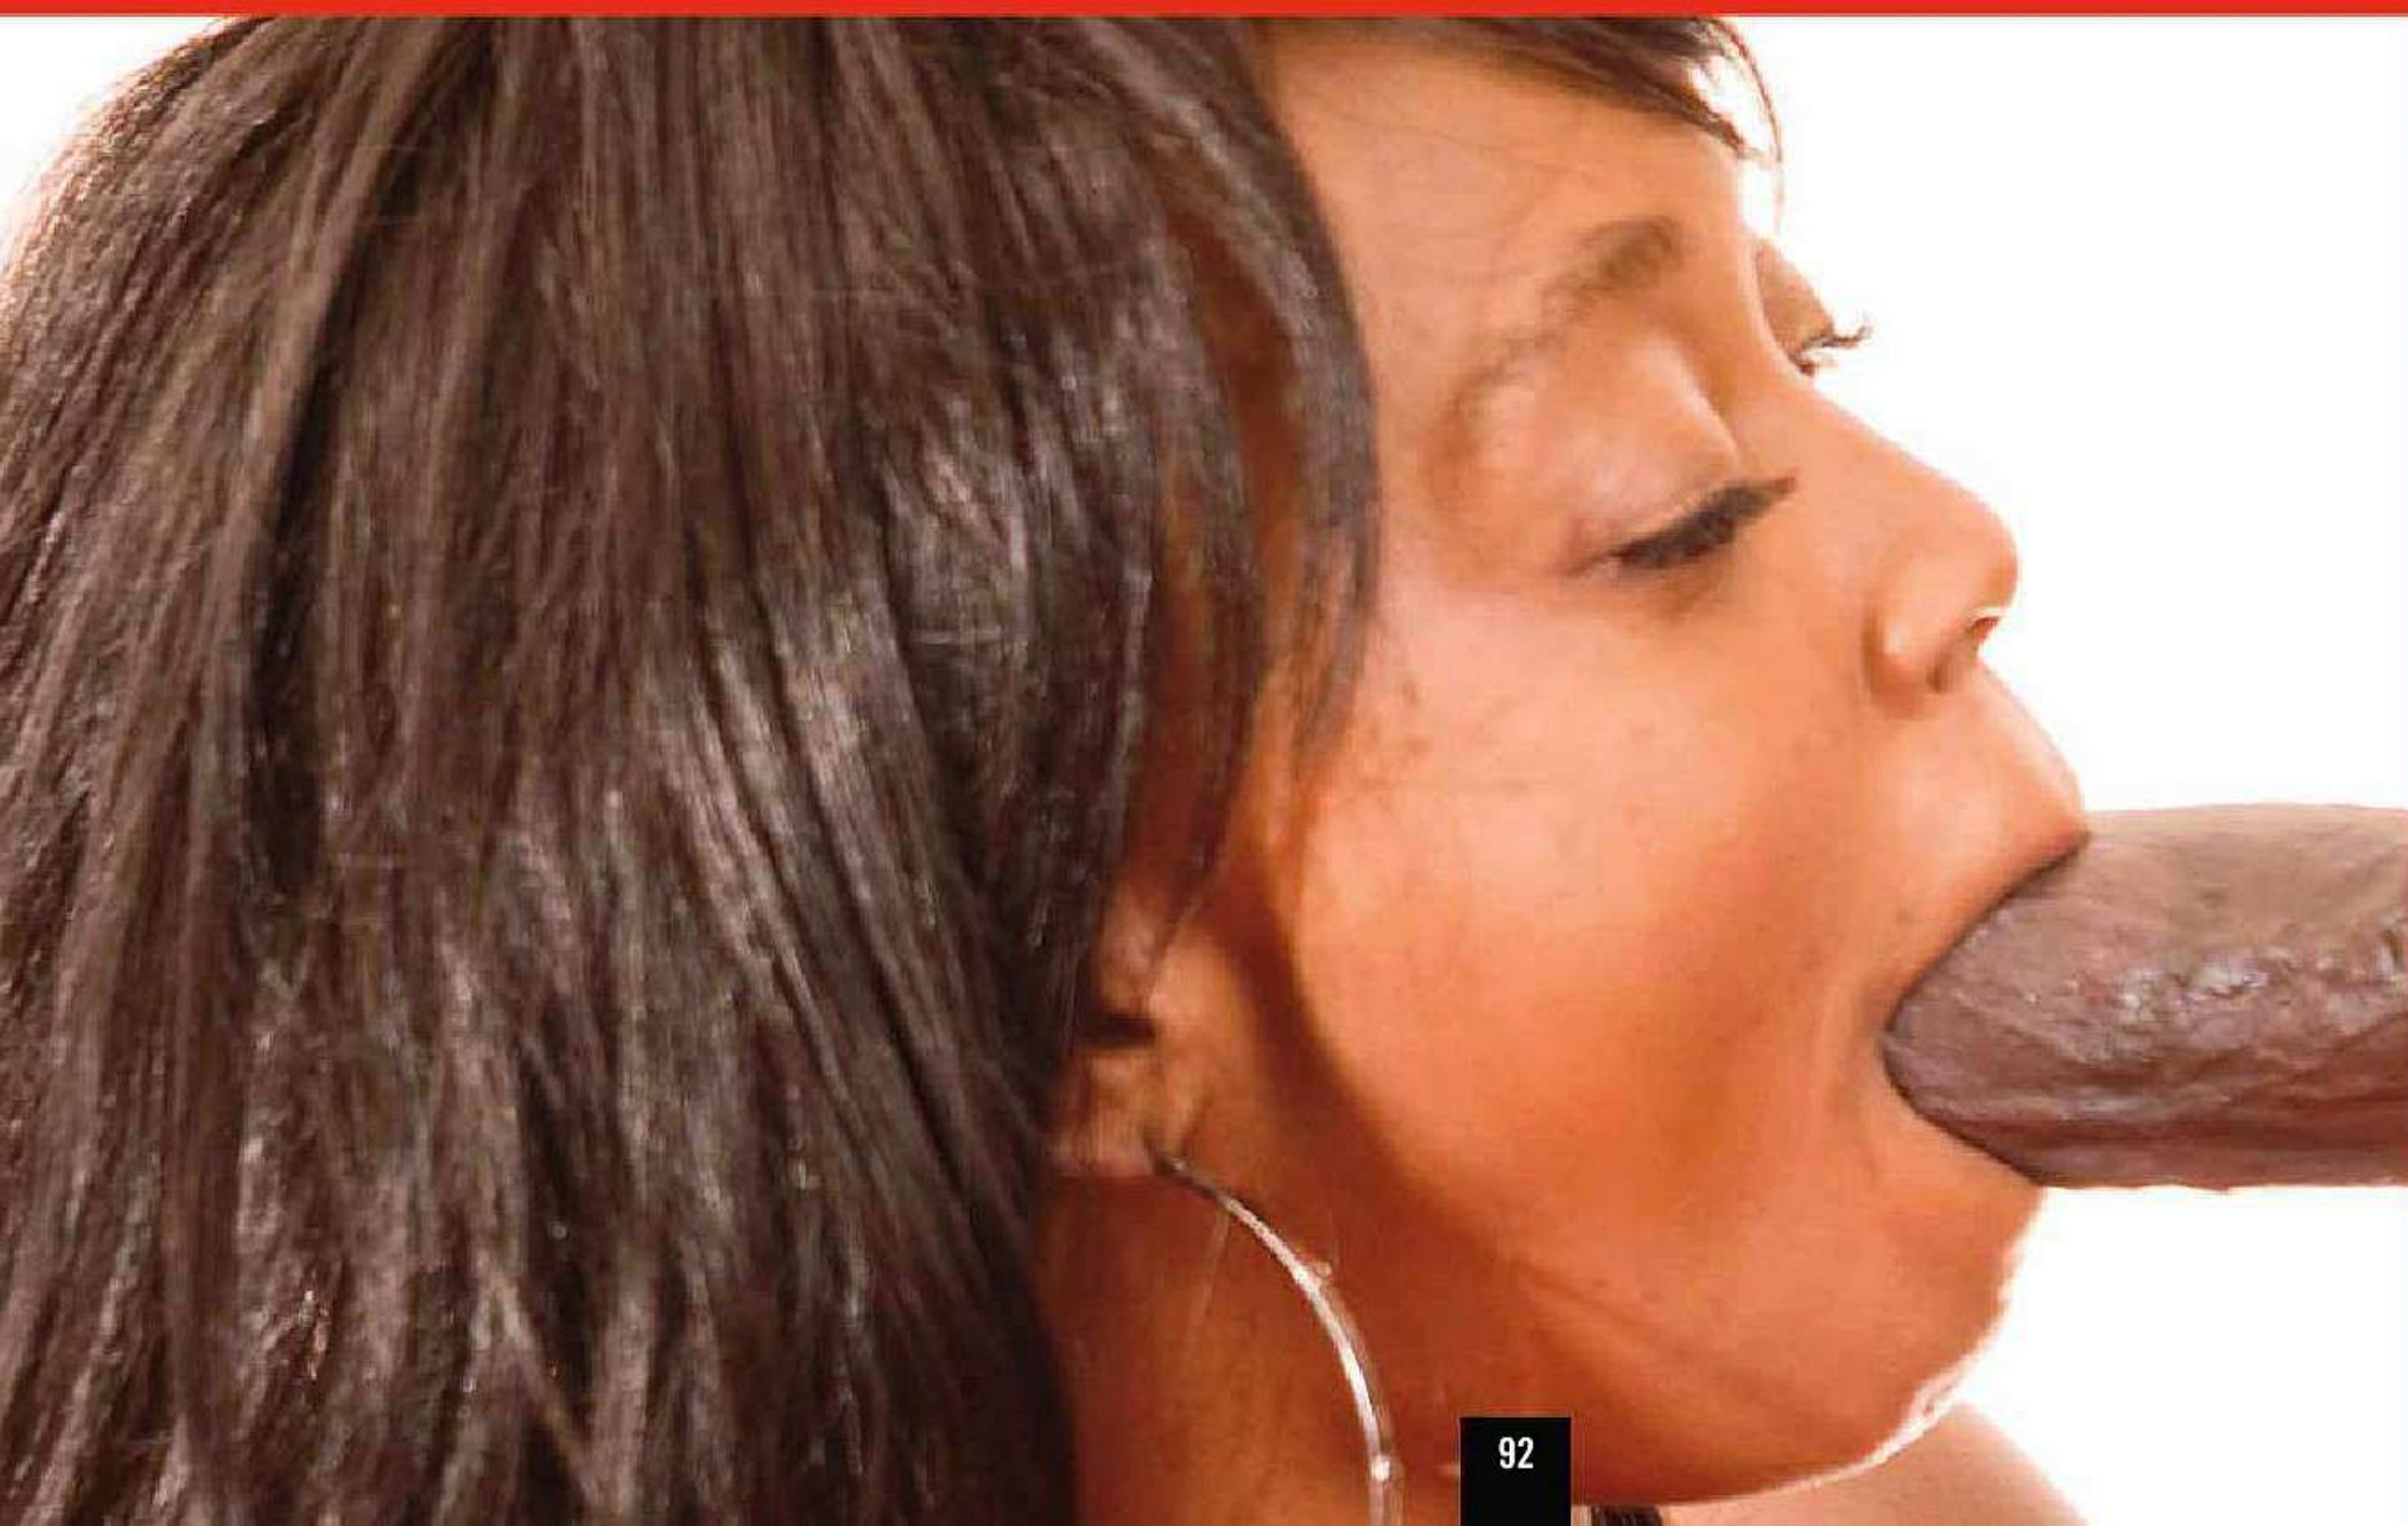

If he can just play straight, this lucky stud
will be cumming down Roxie's throat for
years to come. Give her a call just in case.
